* Models now available with Air Dashpots for instant reading.

All scales not legal for trade.

Warranty Information

The Edlund Company warrants these products to be free from defects in material and workmanship for a period of one year from date of purchase. The company's obligation under this warranty is limited to repairing or replacing without charge any part or parts found to be defective under normal use. It is the responsibility of the purchaser to return the entire unit to the factory or a factory service branch, transportation charges prepaid. This warranty does not cover parts that must be replaced under normal use, including knives and drive gears on can openers. No other warranty, written or verbal, is authorized by the company.
