WORLD TABLEWARE

5-Year No-Chip Warranty | Fully Vitrified | Glazed Foot on plates, trays, coupe bowls and saucers; Highly Polished Foot on all other pieces

Weathered and wise in appearance, this dinnerware features a subdued satin matte finish, one of today's most popular finishes. Its range of organic colors and shapes add distinct character to your presentations. New durable melamine additions let you take these earthy designs anywhere.

Please note: Any china with satin matte finish tends to be more susceptible to wear and tear. If knife marks appear, they have not penetrated the glaze. Use mild abrasive gel or powder mixed with water. Rub gently to help lessen knife marks.
