Introducing
Super Erecta Pro™

The cleanable &
durable solution
designed to **promote**
food safety.

METRO SUPER
ERECTA **PRO**
SHELVING SYSTEM

Dirty.

- a.** Professional advantage: Shelf mats remove for easy cleaning.
- b.** An easy to clean solution that promotes food safety.

- c.** Microban® is built into the shelf mats and epoxy. Microban® inhibits the growth of bacteria, mold, mildew, and fungus that causes odors and product degradation.

Clean.

Abuse.

- d. Shelf mats withstand abuse from abrasive polycarbonate containers, stainless pans, and heavy boxes.
- e. Designed for moist environments. Shelf mats are polymer and will never rust. Epoxy coating has a 12 year warranty against rust and corrosion.
- f. Proven truss design delivers the strength you need. Robust Super Erecta® design can hold up to 800 lbs. per shelf and 2000 lbs. per unit.

Durable.

Proven Performance. The Genuine Metro® Family.

*Microban® antimicrobial product protection helps keep shelves "cleaner between cleanings" by inhibiting the growth of bacteria, mold and mildew that cause odors and stains on the shelf surface. MICROBAN® and the MICROBAN® symbol are registered trademarks of the Microban Products Company, Huntersville, NC.
