

# PRECUT STAINLESS STEEL TILES

## EZ Fit Tiles:

- The same dimensions of a standard hotel food pan.
- Fit standard well openings and standard food pans, no measuring. Spacer bars are available in S/S and Sandstone standard colors.
- Available in Sandstone (cold application only), S/S, Bonstone, Skin Insert Tiles, New Swirl S/S and Rectangle S/S Tiles.
- Fit standard and NSF 7 wells & Bon Chef rectangle chafing dishes.
- Simple to order, just order them to fit a standard well by how many food pans fit the well opening.
- Available in 1/2 size, full size and double size. They correspond to 1/2 and full size food pans. Double equals two food pans.
- Can be custom cut to receive our standard Bon Chef inserts. Also available in many precut styles.
