INTRODUCING **CARLISLE SQUARES** FOOD STORAGE CONTAINERS

**Our redesigned, advanced line of food storage containers
is a more convenient, safer way to store food.**

This new storage system from Carlisle FoodService Products is the perfect fit for any kitchen. Not only is it easily stackable, but our new lids are universally compatible with similar products from most competitors. Our new lid design has handles on every size, maintains a secure fit, and ensures safer food storage.

A STACK OF REASONS TO HAVE CARLISLE SQUARES IN YOUR COOLER.
