CARLISLE
FOODSERVICE PRODUCTS

ELEGANT VERSATILE DURABLE BEAUTIFUL DINNERWARE

Carlisle offers a wide array of guest pleasing dinnerware choices that can coordinate with every type of venue and cuisine. Set your table with Carlisle and watch the savings stack up vs. traditional dinnerware. Our durable collections are designed to be beautiful and long-lasting.

MELAMINE DINNERWARE

Inspired by **classical design and nature**, Stadia **blends clean lines with subtle organic shapes** to delight the eye and add contemporary style to any tabletop. Incorporating **stadium-shaped bowls and coupe plates**, Stadia offers a **refreshing take on traditional design fused with a modern twist** on conventional white dinnerware.

Stadia

- Stadium-shaped bowls and coupe plates with organic shapes offer plating options for any table setting
- Made from heavy-weight melamine resistant to breaking, staining, chipping and cracking
- Look and feel of china without the replacement cost making Stadia a smart investment
- Refreshing neutrals of luminous white and warm grey-beige emphasize food presentation and coordinates with any tabletop décor
- Safe for temperatures up to 212°F
- Dishwasher safe; NSF Listed
- One-year limited warranty

Note: Melamine Dinnerware is not recommended for microwave

Inspired by **Earth's natural elements**, our new Ridge collection suggests the **look and texture of stone** with the benefits and **durability of melamine**. Modern, minimalist shapes from bouillon bowls to platters offer a **variety of plating options**.

Ridge

- Neutral & natural colors compliment any plate from ethnic-inspired dishes to farm-to-table culinary creations
- Featuring modern, minimalist organic shapes, premium texture and matte finish
- Ideal where breakage is a concern, such as the poolside
- Durable melamine resists staining, chipping and cracking
- Safe for temperatures up to 212°F
- Dishwasher safe
- One-year limited warranty

MELAMINE DINNERWARE

The Halcyon serving ware collection offers perfect plating for a variety of cuisines and food styles. Featuring durable bone-white melamine, Halcyon provides artful plating choices for sushi, salads, pasta, appetizers and more. The collection also includes an assortment of dip bowls, flight trays and spoons. Take your dining and presentation to a new level.

Halcyon

- Unique design enhances the appearance of plated foods
- Made of sturdy, durable, heavy-weight melamine
- Resists oils and staining
- Wide variety including 26 shapes and sizes of plates, platters, serving cups and bowls
- Bone-white is a perfect neutral backdrop for your meal presentation
- Safe for temperatures up to 212°F
- NSF Listed; dishwasher safe
- One-year limited warranty

MELAMINE DINNERWARE

Grove features **classic shapes with unique features and patterns.** For **use inside and out**; dress up a table for everyday entertaining or use worry-free **for school, church, parties, poolside or barbecues.**

Grove

- Temperature insulated; resists drawing heat or cold away from food
- Durable, heavy-weight melamine with the look of stoneware resists chipping and breakage
- Mix and match Grove's complimentary neutral colors or pair with traditional solid pieces from other collections
- Gently stroped design imitates the look of weathered wood and lends itself to standardized plating
- One-year limited warranty against breakage
- Safe for temperatures up to 212°F
- Dishwasher safe; NSF listed

MELAMINE DINNERWARE

Durus looks and feels like porcelain dinnerware without the replacement costs due to chipping or breaking. **Switch to Durus and watch the savings pile up!**

Durus®

- High quality, heavy-weight melamine dinnerware has the look and feel of china without the replacement cost
- Available in 9 solid colors
- Minimize your scratch and stain problems with our exclusive mirror-like glaze
- See a return on investment in less than 18 months in most operations after switching to Durus from china
- Reduce dinnerware drying time with the advanced Durus foot design and slick water-sheeting glazed surface
- Save money with our Durus four-year warranty* against breakage, the best guarantee in the industry
- Mix and match Durus side dishes with china plates for a beautiful tabletop that costs less to maintain
- Custom decorating available; see page 334
- Safe for temperatures up to 212°F
- Four-year limited warranty
- NSF Listed; dishwasher safe

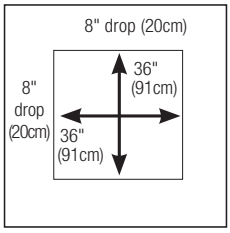
CARLISLE FOODSERVICE PRODUCTS

CALCULATING TABLECLOTH SIZE

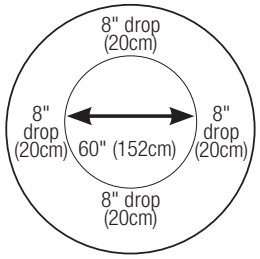
DROP LENGTHS

- A standard drop of 8" is recommended for all tables. That is the amount of fabric that will hang over each side of the table.
- Some operators might want a slightly shorter or longer drop. In most cases 6" is the shortest drop recommended. An 8" drop will let both fabric and vinyl tablecloths drape easily.

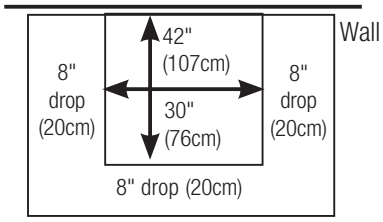
Basic Table Sizing



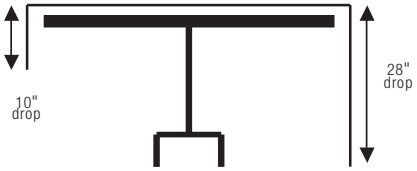
Square Or Rectangular Tables



Round Tables



Booth Tables



Conference Cloth

For any square, rectangular or round table, simply take the width of the tabletop, add your Drop to EACH Side and that's the size Tablecloth you need:

EXAMPLE for a 36" Square table:

36" wide table	x	36" wide table
+16" (8" drop x's 2 sides)	x	+16" x (8" drop x's 2 sides)
52" wide cloth	x	52" wide cloth

or

EXAMPLE for a 60" round table:

60" round table
+16" (8" drop x 2)
76" round cloth

or

EXAMPLE for a 30" x 42" booth table:

30" wide table	x	42" long table
+16" (8" drop x's 2 sides)	x	+ 8" (drop 1 side)
46" wide cloth	x	50" long cloth

Please specify Booth Set Up when ordering

Conference Cloths

Conference Cloths are used to cover Conference Tables. Similar to a Head Table at a banquet, they should have an 8" or 10" drop on the open side and 28" fall, almost to the floor, on the other sides. A typical 6' Conference Table:

18" wide table	x	72" long table
+38" (10" drop + 28" drop)	x	+56" (28" drop x 2 sides)
56" wide cloth	x	128" long cloth

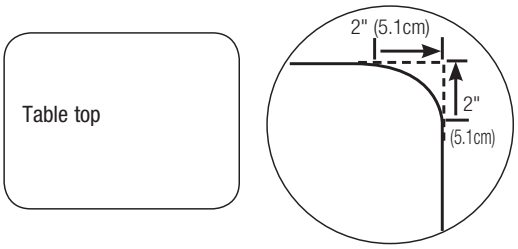


Table with radius corners

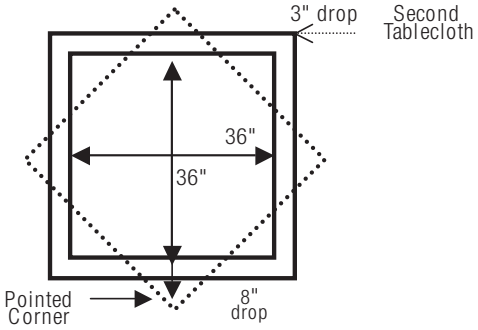
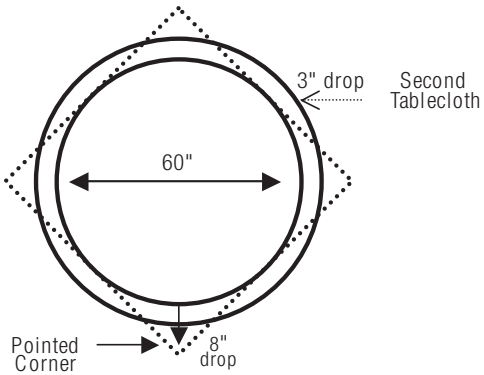


Square Or Rectangular Table OVERLAY



Round Table Overlay

Fitted Tablecloths For Odd Shaped Corners

Marko offers Hat Box Corner form fitted tablecloths that have a continuous seam around the top edge of the table. If the corner radius of your table is greater than 2" the shape of the corner will be used. If the corner radius is less than 2" the corner will be made square. Contact your customer service representative if you have any questions regarding what type of tablecloth will work for you.

Table Toppers

Table Toppers cover the top of Skirted Banquet Tables. They follow the same rules as any other rectangular, square, or round tablecloth. They need to be the exact length, width, or circumference of the table PLUS the desired drop length added to EVERY side. Use the formulas on page 76 and this page to calculate size.

For common applications where the Banquet Table is going to be skirted all the way around, we recommend the standard 8" drop. For Head Tables where one side of the table is going to be left open (Skirted 3-sides with returns on the corners of the 4th side), some people like a slightly longer drop of 10". You should be careful of drops over 10", as the cloth may end up resting partially in patrons' laps. A quick look at the chair seat heights in the room will help you avoid this problem.

Table Toppers are placed first with the Clips for fastening the Skirting placed over them to hold the Topper in place. For a finished look, always recommend Table Padding for Banquet Tables.

Overlays

Overlays are placed on top of the Tablecloth on a dining table for a more formal, elegant presentation. There are two types:

- Pointed Corners: Square cloths that are set at a 45° angle on the table for the corners to hang over the side of the table
- Second Tablecloths: Exact size and shape as the table top with a 3" drop added to all sides

Embrace

For a more tailored fit, use this guide to measure and order your specific table coverings.

DISPLAYWARE

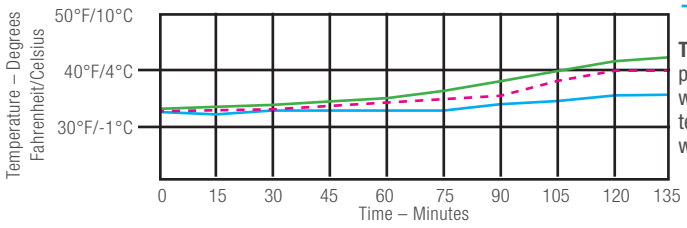
Double-Wall Stainless Steel Displayware

- Beautiful, heavy-duty, stainless steel displayware designed for delis, buffets and special event service
- The modern hammered finish hides scratches for a longer life
- Double wall construction provides insulation to help with temperature retention with both hot and cold foods; no need to preheat or chill
- Double wall construction with air insulation prevents sweating for a fresher looking display
- 609201, 609202, 609203 and 609204 bowls have dual-base indentions allowing bowls to sit flat or at an angle for a more dramatic display and easy food access
- Keeps food under 41°F for up to 2 hours or more

Double Wall Construction/Air Insulation:

- Helps with temperature retention for both hot and cold foods
- Keeps food under 41°F for up to 2 hours or more



Testing Conditions: Chilled cottage cheese was placed in a room temperature bowl. The bowls were left undisturbed in a 72° to 78°F room until temperatures rose above 40°F. Temperature in center was measured and recorded in 5 minute increments.

ICE SCULPTURES

Ice Sculptures

- Quick and easy way to turn any table into a showpiece
- Fill mold with water, freeze (48-72 hours) and cut open the mold
- Features patented EZ-Cut Bead™ and Contracting Cone Base™
- One time use
- Instructions included with every Ice Sculpture

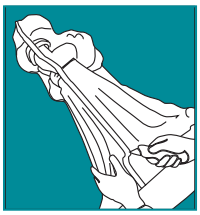
SCL1

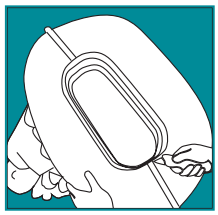
SSW1

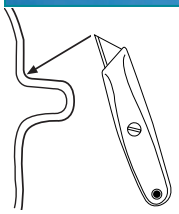
SD01

SBG1

Contracting Cone Base allows for expansion while freezing to eliminate the major cause of cracking and breaking in the freezing process.







Exclusive EZ-Cut Bead opening system makes it quick and easy to un-mold a work of art.

Illuminated Trays

- Perfect for use at buffets or banquets or as an accent for ice sculptures
- Light boxes come with Blue, Red and Yellow colored panels
- Light box is UL listed, fuse protected and operates on 115 volt/60 cycle AC
- Drain kits included

CARLISLE
FOODSERVICE PRODUCTS

INNOVATIVE GUEST-PLEASING VERSATILE DEPENDABLE **FOOD BARS & CONVENIENCE PRODUCTS**

Carlisle's workhorse portable food bars, innovative Coldmaster line and industry-leading lineup of serving and convenience smallwares are critical dining supplies for your operation. Count on Carlisle to offer products that are attractive, durable and designed to improve your operational efficiency.

COLDMASTER®

The Coldmaster solution **eliminates** the **inconvenience** and mess of ice, as well as reduces the potential for bacteria. The Coldmaster solution is **revolutionizing** the food pan category, offering **innovative** solutions and **making work easier.**

Coldmaster® COOLCHECK™

Coldmaster® CoolCheck™

- Patent-pending technology allows you to quickly see when temperatures are no longer safe
- Same great features as our standard Coldmaster products with the added element of color-changing technology
- Eliminates the guessing game behind food safety
- Unit holds food safely below 41°F for 6-8 hours*
- Reduces waste by "telling" workers when food temperature is safe
- Eliminates the mess and inconvenience of ice
- FDA approved; dishwasher safe
- Use Coldmaster Lids listed on pages 111-112
- NSF Listed

*Time will vary based on ambient room temperature

Designed to fit in standard sized food pan templates or food wells

NSF

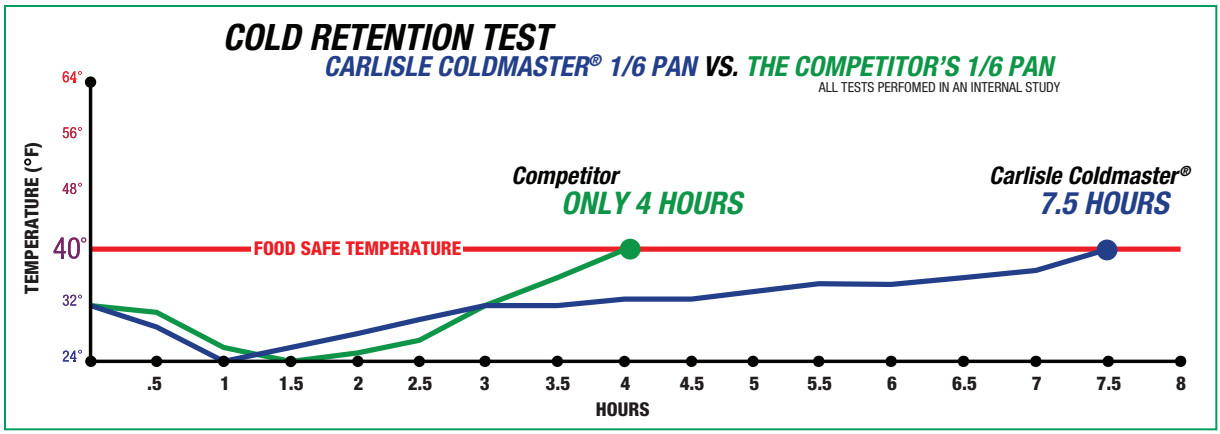
The Coldmaster Solution:

High-impact ABS plastic holds up to foodservice use

Exclusive refrigerant gel ensures high performance
Non-toxic gel receives a cold "charge" when frozen overnight, which enables it to keep your food cold throughout the day

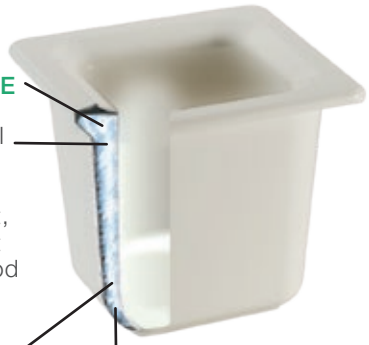
Extra insulation surrounds refrigerant gel for maximum cold retention

Refrigerant gel is enclosed in a bag; prevents leaks, even if shell is damaged



Coldmaster line includes a full suite of **COLD RETENTION SOLUTIONS** such as 3 gallon ice-cream servers, condiment bars and industry firsts such as CoolCheck™ and Designer pans

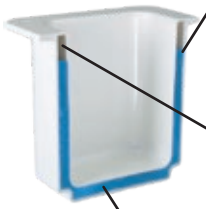
- Exclusive refrigerant gel ensures **HIGH PERFORMANCE**
- **NON-TOXIC** gel receives a cold "charge" when frozen overnight, which enables it to keep your food cold throughout the day
- Extra insulation surrounds refrigerant gel for **MAXIMUM COLD RETENTION**



- Refrigerant gel is enclosed in a bag; **PREVENTS LEAKS**, even if shell is damaged, ensures 100% coverage and helps keep it in place

VS.

Competitor



- Gel is not enclosed in a bag, less protection if there is a break
- Units must be stored upside down or food in the unit is not chilled at the top of the pan
- No additional insulation means that there is much less "chill time"
- Limited Assortment

COLDMASTER®

Coldmaster = Peace of Mind

Coldmaster products are available in a variety of shapes and sizes from food pans to crocks, to ice cream servers. Coldmaster offers peace of mind while it keeps your food cold and fresh. Enjoy the convenience of Coldmaster, as it allows you to transport and keep food cold, anywhere you need to without messy ice or electricity.

Coldmaster Products Exceed Health Department Requirements

- With one overnight charge in your freezer, each Coldmaster keeps food at or below the ServSafe®* guidelines of 40°F for up to eight hours**

Coldmaster Products Meet FDA Standards

- All Coldmaster products are filled with an exclusive non-toxic refrigerant gel
- Constructed of high-impact ABS plastic
- Dishwasher safe

Coldmaster® Whipped Cream & 1 Quart Carton Chillers

- Chillers use the same technology as standard Coldmaster pans
- CM1107 is designed to hold a standard 1qt carton; keeps dairy/egg cartons cold up to 8 hours**
- CM1108 is designed to hold a whipped cream can and provide food-safe chilling for up to 8 hours**
- NSF Listed

Carlisle's extensive line of bar supplies enables your serving team to operate a more efficient and profitable bar operation with consistent quality for your patrons. Our efficient, time-saving bar essentials, Store 'N Pour containers and caddy systems save you time and money.

MAXIMIZER™ PORTABLE BAR

Delight your guests and increase revenue. Maximizer enables you to give your guests the bar service they want and expect. It's great for anything from banquet rooms and hotel lobbies to poolside bars and terrace dining.

Maximizer Portable Bar

- Maximizer offers all the style and features you expect in a premium bar at a very affordable price
- Large 56" serving area keeps condiment caddies within reach without blocking prep area
- Durable solidly molded countertop is easy to clean and includes a convenient molded-in bar mat well
- Sturdy 5" non-marking swivel casters with locking brake on each end hold the bar securely in place during use
- 15-gallon ice bin features an integrated drain and water trap
- Ice bin includes a standard dust cover for sanitary storage and transport
- Fully assembled, no tools necessary
- Find replacement parts at www.carlislefsp.com/replacement-parts

Maximizer Cover

- Protective 8 gauge vinyl cover keeps bar clean and dry when not in use
- Double vented back secures with hook and loop tape for a custom fit
- Tape fastening allows easy access to bar storage area without removing cover

See our money saving coupon online at www.carlislefsp.com/ecoupons

Ergonomic 2-step bar and countertop is designed for ease of drink preparation and serving; large surface area keeps condiment caddies within reach without blocking the prep area.

7550

7555 Protective vinyl cover keeps bar clean and dry when not in use

Vented back for easy access

Designed by bartenders, Maximizer Portable Bar's upscale styling fits in any setting to enable profitable, efficient bar offerings that delight your guests with their favorite libations.

Maximizer Portable Bar's upscale styling is at home in any setting

Durable Maximizer Portable Bar is perfect for outdoor service

Built in cutting board for easy condiment preparation; can be removed for thorough cleaning

Storage compartment includes molded-in rails; use with StorPlus™ 12" x 18" Food Storage Boxes

Includes standard 22" Stainless Steel Speed-Rak™; holds 6 bottles or 6 Store 'N Pour® Quart containers

Unique sliding storage drawer accommodates mixers, sodas or standard bus boxes and can be removed for more versatile storage

Large storage area under the drawer is perfect for staging glassware using our OptiClean™ Glass Racks

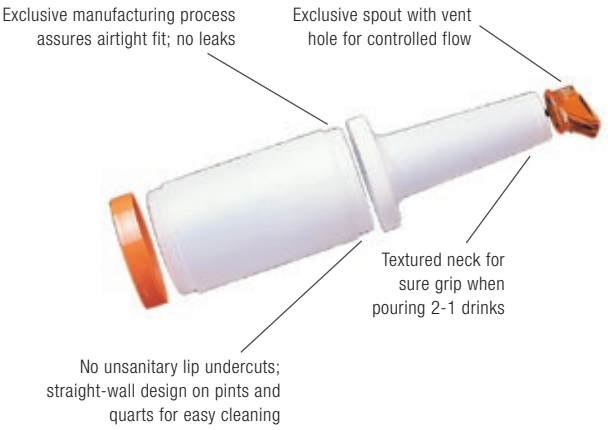
STORE 'N POUR®

Store 'N Pour

- Enjoy the benefits of the most efficient storing and pouring system for the bar, kitchen or dining room
- Pour a perfect 2-1 drink every time with the patented vented spout design
- Two-piece spout and neck design for easy cleaning
- Exclusive manufacturing process ensures tight seal with no leaks
- Made of high density, break-resistant polyethylene
- Easy clean containers have straight wall design with no sharp interior edges that can collect food or bacteria
- Unique stacking ridge on quart and pint caps make storage on shelf in refrigerator easy and secure
- Color-coordinated spouts and caps for easy product identification
- Lids snap on exclusive, recessed base of pints and quarts to prevent loss
- Assorted cap colors promote color-coding



Back of House Store 'N Pour

Our Store 'N Pour bottles and pourers can also be used in back of the house applications:

- Holding and pouring spices
- Cooking wine/sherry storage and usage

PourPlus

PourPlus Complete

- Complete unit includes container, lid and spout

PourPlus Spout

- PourPlus fits all Store 'N Pour containers
- Integrated neck and spout designed for fast, free flowing pouring and easy clean-up
- Textured neck provides sure grip—even when wet
- Necks are color-coded

Store 'N Pour Versatility

Front-of-the-house use

Perfect 2-1 drinks are easy

Stackable backup storage

Back-of-the-house use

Pour batters and oils

The Essential Drink Mix System

1. Mix In One-Gallon Container

Accurately measure and mix concentrate or powder in gallon containers. Its wide mouth eliminates the need for a funnel.

2. Cut Preparation Time

Prepare mixes and juices in advance using the gallon storage container. At peak periods simply empty into a quart backup.

3. Transfer To Quarts

Pour a gallon of mix into four easy-to-handle quart containers.

4. Ready To Use

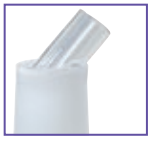
Attach neck with spout to one quart for use in speed rack. Cap the remaining three quarts for backup.

Store 'N Pour Complete Units & Backups

- Complete unit includes neck and container plus color-coordinated pouring spout and cap
- Backup unit includes cap and container
- Dishwasher safe

Store 'N Pour Speed Spout

- No-drip spout is vented to promote faster, more even flow



3042

Store 'N Pour Bar Service Pack

CARLISLE
FOODSERVICE PRODUCTS

PRACTICAL ELEGANT RUGGED DURABLE FOODSERVICE TRAYS

Carlisle trays and accessories are designed to please your patrons and enable your staff to serve meals economically without sacrificing durability. We set the standard for size, color selection, appearance and reliability.

FIBERGLASS TRAYS

Glasteel™ Trays

Glasteel trays offer durability and cleanability at an affordable price.

- Engineered to be the most durable fiberglass trays available
- Decorating options, see page 334 for additional information
- 5-year limited warranty
- NSF Listed; dishwasher safe

Heavy-Duty Construction

- Metal reinforcing rods provide extra strength and eliminate warping
- Two thick, reinforcing fiberglass core mats add strength and provide increased chemical resistance

Air Flow Corner Reinforcements

- Air flow corner reinforcements and stacking lugs make Glasteel trays your best choice for stability and drying when stacked
- Unique design permits air flow to all surfaces of stacked trays, reducing drying time

Fiberglass Trays are available in full cases only.

There is a NO-RETURN POLICY on Customized Fiberglass Trays.

Custom Decorating

Carlisle offers a decorating program so you can label your trays with a logo, image or any graphic visit www.carlislefsp.com/custom-imprinting for more information

Trapezoid

Space saving shape for better table fit

Image Wrap

Full color images printed on both sides of the tray*

Rectangular Regular & Low-Edge

Low-edge trays have “squared-off” corners to permit dish overhang, fitting more serving items on a given tray size

Display/Bakery

Ideal for displays and available in all colors and patterns

*Contact Customer Service at 1-800-654-8210 for more infomration

Available for immediate shipment in
Bone White(001), Natural(003),
Black(004) and Almond(095)

See pages 152-155 for available tray sizes and colors

COMPARTMENT TRAYS

Our Compartment Trays are the perfect **cost effective solution** for portion control.

6-Compartment Trays

- The 6-compartment trays hold government "Type A" lunch
- Carlisle offers the largest variety of sizes and compartment combinations available
- All materials are FDA approved and NSF Listed

Materials

Melamine

- Melamine is a heavy, rigid material with the look and feel of china
- It is very scratch- and break-resistant
- Fast drying melamine is highly resistant to chemicals and food acids with a temperature range of 0° to 212°F

Polycarbonate

- Money saving trays carry a five-year warranty against breakage
- Highly break-resistant; perfect choice for correctional facilities
- Polycarbonate offers good scratch- and chemical-resistance with a temperature range of -40° to 212°F

Polypropylene

- Economical, durable choice
- Good chemical resistance
- Temperature range of 30° to 180°F
- Handwashing is recommended

ABS

- Break- & scratch-resistant
- Excellent choice for general use
- Highly resistant to chemicals and food acids with a temperature range of 0° to 180°F

Orientations

Left & Right-Hand

- Offer a greater variety of serving combinations
- Available in melamine, polycarbonate, ABS and polypropylene
- NSF Listed, except when offered in Variegated(00)

Omni-Directional & Space Saver Trays

- Special design allows you to fit two trays side by side in dish rack for faster cycling time

Festival Trays™

- Beautiful alternative to glass, crystal, or disposables
- Use durable trays for catering, parties, weddings, conventions, cruise lines or poolside service
- Molded-in pattern gives the appearance of fine etched crystal
- Economical, break-resistant SAN resists food acids and oils
- Lowers replacement costs
- Safe in temperatures from 0° to 180°F
- Dishwasher safe

Tray Stands

- Cross supports provide superior rigidity and strength
- Durable and easy to clean
- Available in 3 forms: Steel, Wood & Plastic
- Capped legs on steel tray stands prevent slipping and marring of floors
- Extra tall steel tray stand (C3625T) reduces need for bending and stooping; additional height makes transferring heavy loads easier
- Plastic stands have sanitary, non-porous and non-corrosive finish that is easy to clean with a damp cloth

Works great with Griptite 2, GripLite and Cork Trays

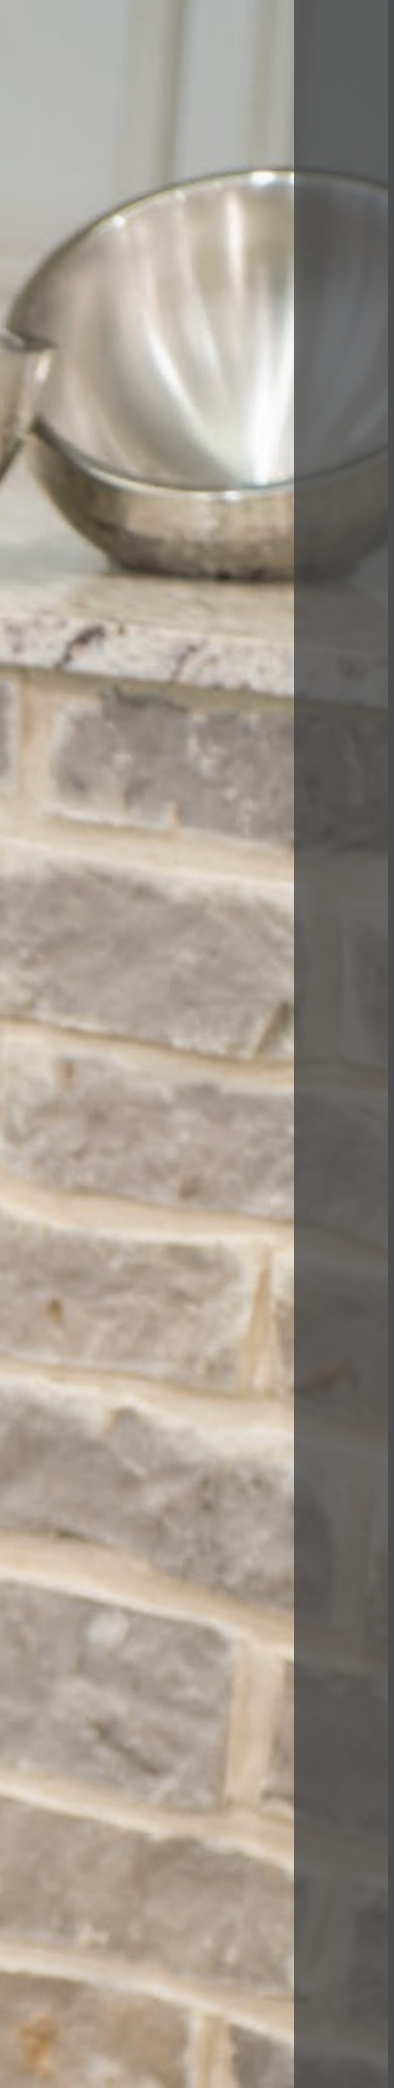
CARLISLE
FOODSERVICE PRODUCTS



RUGGED BEAUTIFUL PORTABLE CONVENIENT **CATERING EQUIPMENT**

Carlisle's catering equipment line is the professional's choice for your insulated transport needs. Only Carlisle Cateraide's can offer attractive contemporary styling, longer hold times and unique battle tested features that provide you superior value.

Choose The Cateraide™ To Best Fit Your Needs.

All Cateraides are NSF Listed and made of rugged, stain- and scratch-resistant polyethylene.

Good

LD, XT and PC Series pan carriers withstand the wear and tear of high volume catering and insulate for 4-6 hours. PC Series Cateraides are our workhorse product and include both end loaders and top loaders that can be used for hot or cold food. PC top loaders feature automatic self-venting system, preventing unsanitary vent openings and lost vent caps. LD and XT beverage carriers feature a faucet 4" from the base to ensure space for cups or glasses and include the Nylex II™ latch mounted into steel reinforcement plates for extended life. XT beverage carriers stack with standard Cateraides or other major competitors.

NSF Made In USA

LD, XT & PC Series

Better

Carlisle's patented* Slide 'N Seal™ design is combined with Carlisle's thick insulation to hold temperatures for 4 to 6 hours. Slide 'N Seal carriers have self-venting, sliding doors and lids. There are no metal parts, latches, hinges or gaskets to clean, break or wear out. A beverage server is also offered in our Slide 'N Seal line. Our patented unique lid seal provides leak-proof transport. These items have a sleek, contemporary appearance. The ergonomical design them easy to load, handle, stack and store. Items include a molded-in tag slot to seal and tag carrier for safey and food identification.

*Slide 'N Seal Pan Carrier Patent No. 7,134,552

NSF Made In USA

Slide 'N Seal

Best

IT Cateraides are manufactured to provide superior food quality and safety. Designed for the professional, Cateraide IT features commercial foam insulation, reinforced corner and one-handed adjustable latches. The detailed design continues with recessed hinges that stay out of the way and are less likely to catch and break. Transporting is easier with multiple comfort-grip handles and secure stacking of units. Let Cateraide IT keep your food safe and secure.

NSF

Made In USA

IT Series

CATERAIDE™ IT

Introducing the **newly designed** Cateraide IT insulated transport line of products. IT is the only choice for foodservice professionals who demand they have it all. For the first time, rugged durability and industry leading safe food holding times are combined with **attractive, contemporary styling.** Cateraide IT sets a **new standard for value.**

IT500

Insulated Beverage Dispenser

- Heavy foam insulation holds temperatures in the safe zone for over 6 hours
- Field adjustable latches ensure a secure seal for the life of the carrier
- "Spring Action" faucet for no drip service
- Button-hole latch design offers convenient one hand operation and keeps the doors and lids closed tightly for better temperature retention
- Sure-grip handles promote a safe, stable, two-person lift for easy loading and unloading

NSF Made In USA

IT500

Easily identify contents using the integrated writing surface

Higher spigot position allows for larger cups and mugs to fit underneath with ease

CATERAIDE™

CaterCooler™

- Freeze CaterCooler overnight or for eight hours and it will keep food at or below the ServSafe® guidelines of 40°F for up to eight hours without ice*
- Designed to slide into a Cateraide End Loader, Double End Loader or place on top of food pans in a Top Loader
- Durable polyethylene shell

ServSafe® is a registered trademark of the National Restaurant Association

*Temperature retention is based on CaterCooler being pre-frozen for a minimum of eight hours, then placed directly into Cateraide pan carrier. Pan Carrier unit is then filled with pre-chilled food pans. Testing was conducted under ambient room temperatures of 76°F.

CaterCooler shown with PC300N End Loader

PC660

Pan Carriers

- Cateraide construction made of rugged, stain- and scratch-resistant polyethylene
- Filled with extra thick foam insulation for maximum temperature retention
- Exclusive automatic self-venting system eliminates unsanitary vent openings and easily lost vent caps
- Heat resistant to 200°F
- Find replacement parts at www.carlislefsp.com/replacement-parts
- NSF Listed

Use with StorPlus™ Food Pans or DuraPan™ shown on pages 218-225

Insulated End Loader

- Individual track for each food pan
- PC300N end loader holds five 2.5" deep pans
- PC600N has twice the capacity of the PC300N

CARLISLE
FOODSERVICE PRODUCTS

QUALITY DURABLE STRONG PROFESSIONAL COOKWARE

Carlisle cookware and bakeware are designed to support professional chefs, helping them to succeed in their constant pursuit to delight their guests with great food. Our wide selection of top-quality products delivers reliable, long-lasting value to your operation.

FRY PANS

Excalibur Fry Pans feature a **stainless steel reinforced, non-stick** layer to protect from daily wear and tear. The coating is micro-bonded to the pan creating a multi-layer surface that **effortlessly releases food** and resists scratching better than traditional non-stick surfaces.

Excalibur® Fry Pans

- Scratch-resistant surface resists wear and tear from metal utensils better than any other coating
- Non-stick surface cooks evenly without requiring added fat or oil to release food
- Hardened 3004 Aluminum Alloy body resists denting and maintains shape
- Triple rivet handle stands up to daily use within today's industrial kitchens
- Removable Dura-Kool sleeve keeps handle cool to the touch
- NSF Listed; dishwasher safe

Use with High Heat Turner shown on page 213

Teflon Select® Fry Pan

- Scratch-resistant surface is 75% more resistant to scratches than regular Teflon
- Non-stick surface cooks evenly without requiring added fat or oil to release food; ideal for pancakes and omelet stations
- Triple rivet handle stands up to daily use within todays industrial kitchens
- Removable Dura-Kool sleeve keeps handle cool to the touch
- Hardened 3004 Aluminum Alloy resists denting and maintains shape
- NSF Listed; dishwasher safe

CARLISLE
FOODSERVICE PRODUCTS

QUALITY EFFICIENT DURABLE INNOVATIVE KITCHEN ACCESSORIES

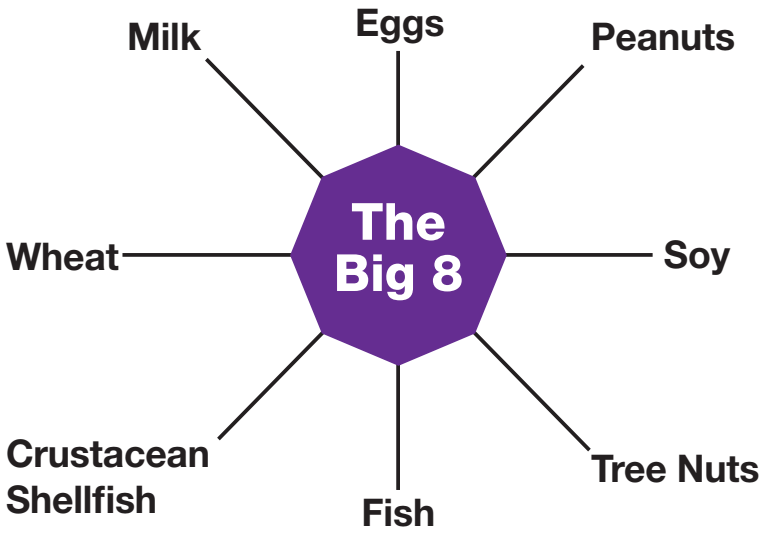
Designed and used by chefs, Carlisle kitchen accessories are created to improve food safety, promote quality, save labor and reduce waste. For efficient kitchen operations day after day you can count on Carlisle to help make work easier.

ALLERGEN CONTROL PRODUCTS

In a kitchen, the **most dangerous allergen** is the one that isn't identified. Carlisle **Allergen Control Products** help your employees segregate their allergen sensitive orders ensuring a safer dining experience for your customers.

The Big 8

The big 8 are the principal allergenic foods that account for nearly 90% of all food allergies in the United States



Symptoms of an Allergic Reaction		
Nausea	Wheezing / Shortness of Breath	Hives / Itchy Rashes
Swelling of Face, Eyes, Hands or Feet	Vomiting / Diarrhea	Abdominal Pain

Capacity indicators allow measuring, prepping and portioning in a single container for added versatility, efficiency and inventory control

StorPlus Square Container
Pages 228-229

Bold purple markings make these measuring cups easy to read

Commercial Measuring Cup
Page 204

Carlisle offers purple Measure Misers in a variety of sizes with the capacity molded into the handle for portion control

Measure Misers

HEAT LAMPS

Heat Lamps

- Wide selection of heat lamps for both front-of-the-house buffet service and back-of-the-house temperature retention
- 1-year limited warranty

Flexiglow™

- Spun aluminum shade with flared rim for added strength
- Shade is drilled for increased heat dissipation
- Optional NSF Listed maple cutting board and drip pan is perfect for a front-of-the-house carving station
- Meets standard electrical specifications shown on page 197
- Rated UL recognized

Dual Arm Flexiglow

- Two flex arms provide heating for separate products
- Vinyl-coated arms help keep unit sanitary
- Includes two 250-watt Red bulbs

Single Arm Flexiglow

- Switch located away from the heat source
- Includes 250 watt Red bulb

HL8285GB

HL8195B

HL8185

HLA20

HL8285

Two Bulb Adjustable

- Adjustable arm for different heat settings
- Spun aluminum shades with flared rim for added strength and more even heat dissipation
- Ceramic insulated sockets with nickel plated contacts to prevent fusing
- Meets Standard Electrical Specifications shown on below
- On/Off switch mounted on arm away from heat zone
- Includes two 250-watt Clear bulbs
- UL & CSA listed

HL7237PS

Standard Electrical Specifications

- Sockets are ceramic insulated and furnished with a nickel-plated copper screw shell and contact point to prevent fusing
- Internal wiring is braided and silicone covered and rated 200°C
- Durable 16 gauge external wiring with molded three-prong plug
- All switches are either “T” or “L” rated and surpass minimum requirements
- All switches are located out of the heat zone
- Designed to operate on 110-120 volt AC service; wiring will accommodate 250 volt AC service
- Heat lamps have one year warranty against defects in materials and workmanship

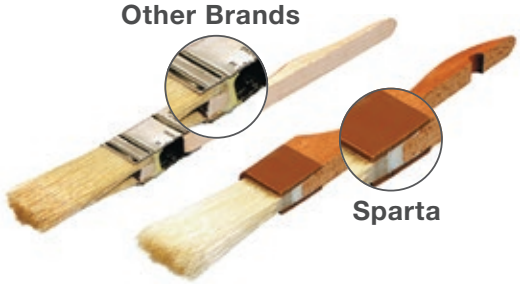
SPARTA® PASTRY & BASTING BRUSHES

Sparta Pastry & Basting Brushes have been the **top choice** of discriminating professional chefs the world over for decades. The **high-quality craftsmanship** provides the **best bristle retention in the industry**. You should never sacrifice food safety and with our wide selection of brushes, we have a brush to cover **all of your needs**.

TOP SELLER

SPARTA® BRUSH
Famous for Quality

Other Brands



Superior Food Safety Construction

Epoxy-set ferrules on all Sparta Pastry/Basting Brushes are especially designed for foodservice use; eliminating hazardous bacteria traps commonly found in other brushes. Sparta Pastry/Basting Brushes are available in a wide range of sizes and styles.

Chef Series™ Brushes

- Professional, high-quality lacquered hardwood handles with brown plastic ferrules are the choice of top chefs
- Bristles are epoxy-set to ferrules to provide superior bristle retention and to prevent bacteria harboring air pockets

Sparta Chef Series Croissant Brush

- Extra long bleached boar bristles for use on the most delicate of pastries and foods

Chef Series Basting Brushes

- The professional's choice for use in basting meats and poultry
- Durable sterilized, double-boiled, bleached boar bristles
- Withstands temperatures of up to 500°F

Note: Basting brushes should not be cleaned in dishwashers. Brushes should be dipped in a commercial cleaning solution and rinsed.

For usage information on these and other brushes included in our 21 Key Brushes Set, check out our 21 Key Brush Guide on pages 253-255

Chef Series Pastry Brushes

- Soft, flagged, white nylon bristles have high fluid retaining capacity and provide a soft touch to delicate pastries
- The finest commercial brushes of their kind
- Offers the performance, delicate touch and long-lasting value by which all others are judged

Meteor Pastry/Basting Brushes

- "Molded-into-the-handle" hook hangs on lip of crocks and containers to prevent bristle burn, melt or distortion
- Use hook to elevate bristles off of counter tops
- Soft flagged bristles are molded into handle to prevent bacteria harboring air pockets
- Available with white nylon bristles or double-boiled, bleached, sterilized, premium boar bristles

Hook hangs on side of crock or elevates bristles off counter tops

3 Material Options

Carlisle Offers Three Food Pan Options
Polycarbonate, High Heat, Stainless Steel

STORPLUS™ FOOD PANS

StorPlus is perfect for holding food day after day in all cold applications including buffets, cold wells, service line applications and fridge/freezer storage.

Food Pans

- Smooth interior makes clean-up easy
- Reinforced corners prevent chips and cracks, stand up to drops and use day after day
- Universally stackable with all food pan products on the market
- Spoonable bottoms allow easy removal of contents and reduction of food waste
- Polycarbonate containers can withstand temperatures from -40°F to 212°F
- High-heat pans excel in high temperature applications and are BPA Free (-40°F to 375°F)
- Compatible with Carlisle StorPlus Universal Lids, Smart Lids, Drain Grates and EZ Access Lids
- Textured non-slip finish on corners, sides, bottom and lid reduce scratches
- Molded-in capacity indicators are listed in both quarts and liters
- NSF Certified; Made in the USA; Dishwasher Safe

NSF

EZ Access Lids

- 50% to 60% larger opening improves hand and utensil access; reduces foodwaste
- Snug lid stays in place during routine opening; never flips off
- Clean design eliminates dangerous food traps found on other hinged lid designs
- The perfect solution for salad, cucumbers, buffets, prep stations and more
- Compliments Coldmaster and CoolCheck pans
- One-half and one-third sizes available with double notch for multiple portioning options
- Double-hinged design handles the abuse of the most demanding foodservice applications
- Convenient molded-in peg hole
- NSF Listed; dishwasher safe

NSF

Universal Food Pan Lids

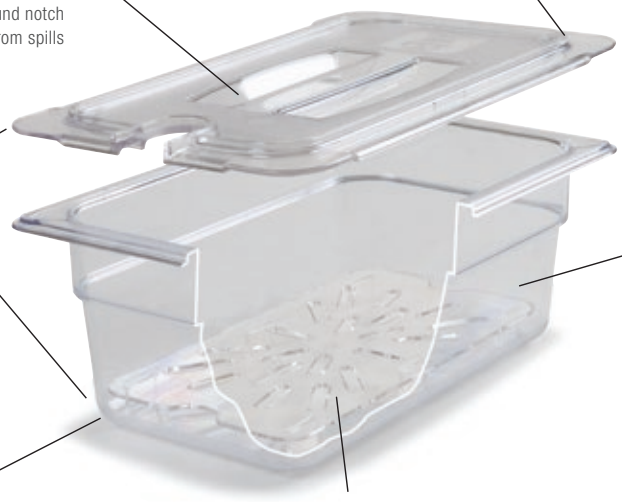
- Fit Carlisle StorPlus Food Pans as well as other major brands on the market
- Features a hanging hole for easy storage
- Fits both Gastronorm and standard size food pans
- Carlisle lids stack with themselves for easy storage
- Available in polycarbonate or high heat material
- NSF Listed; dishwasher safe

NSF

Smart Lids™

- Unique inside seal design provides superior leak-resistance and keeps your foods fresher, longer
- Perfect for transporting foods to off site locations
- Smart Lids (combined with StorPlus Food Pans) fit inside Cateraide Top Loaders and End Loaders (shown on pages 171-177)
- Polyethylene material is dishwasher safe; for use in -40°F to 180°F
- Designed exclusively to fit StorPlus Food Pans

Smart Lid's unique inside seal design provides superior leak-resistance; protects against spills



Rim Around Top Of Lid
Helps stabilize stacked food pans

Universal Lid, Recessed Handle
Offers a secure grip. Notched lids allow easy access with serving spoons. Rim around notch helps prevent contamination from spills

Reinforced Corners
Gives extra support and increased strength to resist breakage and warping of food pan rims

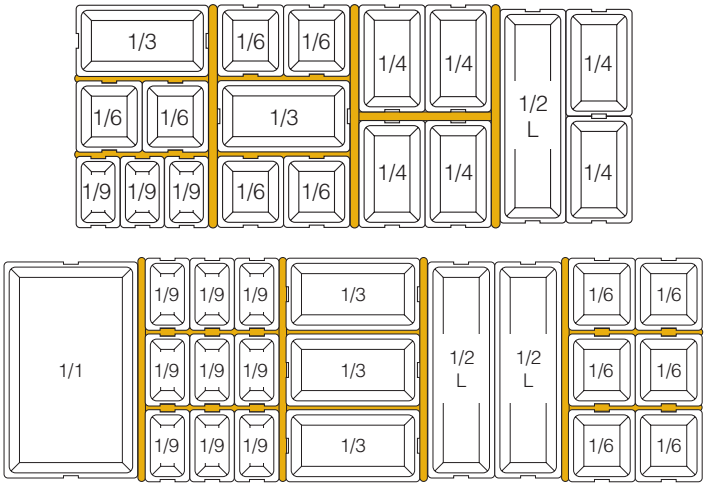
Textured Bottom and Lid
Reduces scratches and clear sides allow for easy viewing of contents

Capacity Indicators
Sides of Food Pan are marked in both liter and quart capacities. Pan capacity (set for flush fill) and portion counts are molded-in to exterior of food pan bottom for easy portion control

Spoonable Bottom
Adds structural rigidity and allows easy access to contents to eliminate food waste

Drain Shelves
Sturdy feet support contents and allow room for easy drainage

Suggested Pan Layout



STORPLUS™ FOOD PANS AND LIDS

NSF Listed products are designated with a Δ and may be prefixed with an N

Note: Capacities are based on liquid measurements to rim, i.e. flush fill

Made specifically for **warming and holding cabinets,** our single- and double-handled pans help **products stay warm and fresh for your customers.**

Specialty High Heat Handled Pans

- Transports food safely from the oven to the warming unit
- Double handled pan is perfect for restaurants with “pass through” warming units
- Stain-, heat- and impact- resistant high heat material
- Available in 2.5" and 4" depths
- NSF Listed; dishwasher safe

High Heat Pan Divider

Pair our high heat pan divider (30871) with our 1/3 size, 2.5" deep handled pans (30860HH and 308614) to warm and hold multiple items in one pan while reducing the risk of foods touching; perfect for low volume meat or chicken items

- Use with 1/6 size drain shelf to help keep foods fresh

METAL FOOD PANS & LIDS

Food pans are **the back bone of any foodservice operation.** For storing, preparing and serving, they are a necessity. Only Carlisle offers you **complete versatility with a broad range of food pans** to meet your needs.

DuraPan™ Food Pans

Double reinforced corners and unique impact resistant edge design help pans hold shape; will not jam together during storage. Tapered pans fit standard food pan templates and will stack or nest with most other leading brands. Versatile 18-8 stainless pans go from freezer to oven to serving line; ideal for cook-chill operations.

DuraPan Covers

- Made of heavy gauge 18-8 stainless steel
- Available in solid or slotted styles
- Recessed handles offer a secure grip
- Notched lids allow easy access for serving spoons

NSF

Steam Table Application

DuraPan's impact resistant edge maintains shape better and lays flat, providing a tight seal for better temperature retention in steam tables

Coldmaster® Application

Use DuraPans with Coldmaster Coldpans (shown on page 113) to keep foods cold without ice or electricity

Full Shoulders
Prevent jamming during storage and provide added strength for longer life

DuraPans Covers, Recessed Handles
Large, recessed handles offer a secure grip. Notched lids allow easy access with serving spoons

Double Reinforced Corners
With unique impact resistant edge design holds shape even under the toughest conditions

Spoonable Bottoms
Add structural rigidity; allows easy access to food and makes clean up easier

Drain Grates

- Chrome-plated, heavy-duty grates with durable welded construction holds food above pan
- Use for cooling or draining foods
- Fits full size pans

Divided DuraPans

- Divided pan is perfect for serving complimentary foods
- Single pan fits in full size pan opening; eliminates the need for adapter bars

NSF

Divided Pan with PC140N Cateraide™ Top Loader

Available in heavy gauge or light gauge, Carlisle offers a wide range of accessories including solid and slotted covers, drain shelves, divided pans and adapter bars.

STORPLUS™ STORAGE BOXES

StorPlus **color-coded** storage boxes are a solution that helps employees **easily identify** proper storage containers, **eliminating cross-contamination.**

Benefits of StorPlus Color-Coded Storage Boxes

- Prevent cross-contamination and help meet standards as part of a complete HACCP Program
- RimGlow™ technology gives the boxes and lids a distinct, yet transparent color to segregate them by usage

StorPlus Color-Coded Storage Boxes & Lids

Food Storage Boxes

- Reinforced top and bottom corners on both box and lid, help prevent chipping and cracking
- Quart, gallon and liter capacity indicators (on 12" x 18" box)
- StorPlus boxes stack easily for efficient storage, fit standard carts and racks and with other boxes on the market
- Smooth interior surface makes cleaning easy
- "Lock-Tight" lids can be reversed and used as bun pan or tray
- Polycarbonate boxes provide easy visibility, superior resistance to food acids and oils and withstands temperatures from -40°F to 212°F
- Boxes double as dough proofing bus boxes, warewashing tubs for kitchen overflow or remote locations
- 18" x 26" colander is ideal for storing, draining, thawing and marinating foods; keeps lettuce crisp, thaws and drains fish on ice, marinates chicken, etc.
- Polyethylene boxes offers economical storage and transport and withstands temperatures from -40°F to 180°F
- NSF Listed; dishwasher safe

Textured Lids
Non-slip texturing provides secure stacking and scratch resistance. Snap-on lid fits both polycarbonate and polyethylene containers

Wide, Easy Grip Handles
All sizes have a wide, comfortable handle design with textured finish to provide a secure grip

Date Indicators
On all four sides help maintain food quality and make inventory control easy

Spoonable Bottoms
Makes removal of contents easier, helps prevent food waste and promotes easy clean-up

Contents & Date Indicators
Provides convenient space for marking contents and date to help promote product freshness and quality

Stacking Lugs
Corner stacking lugs add strength, rigidity and prevent jamming when stacked. Containers stack with other popular brands

Capacity Indicators
Listed in both gallons and liters, are color-coded to match lids for quick identification

Textured Finish
Non-slip textured finish on corners, edges and bottom of container reduces scratches to keep containers looking like new longer

Now available in convenient multi packs (lids included)

Ingredient Bins

- Portable, convenient storage bins for large quantities of sugar, flour, etc.
- Lids slide open for easy access
- Heavy-duty, non-marking casters
- Replacement Parts for BIN27, BIN36, & BIN44 shown in chart below

Floor Rack System

- Interlocking modular system provides a raised surface in dry and cooling storage areas
- Perfect for areas where moisture collects on the floor
- Open design allows for air circulation
- 12" square units lock together, holds up to 3,000 pounds per square foot
- Made of FDA approved high density polyethylene, withstands temperatures from -40°F to 180°F
- NSF Listed; dishwasher safe or clean with hose

CARLISLE
FOODSERVICE PRODUCTS

EFFICIENT DURABLE INNOVATIVE SMART WARE-WASHING PRODUCTS

Carlisle offers every rack, basket and accessory you need for efficient warewashing operations. OptiClean™ is the industry standard for enabling clean, spotless ware. Our full line of color-coded rack extenders and Plaque-a-Racks are the ideal solution for sorting and managing your ware.

OPTICLEAN™

Engineered to Flow

Warewashing can be labor intensive. If not well managed, it is likely to hurt your operation's bottom line and add unnecessary frustration. However, labor and efficiency is not the operator's only problem. The quality of your warewashing could directly affect your customers' health and the reputation of your establishment. If an effective system of cleaning and sanitation is not upheld, you may be facing risks on a daily basis that could jeopardize the future of your business.

All OptiClean Racks have an outside measurement of 19.75" x 19.75"

3-Component System

Base Rack // Open Extender // Divided Extender

By alternating open and divided extenders, each level of the rack offers efficient flow through of water for superior performance and thick divided walls for protection

Double-wall Construction

Maximum strength, protects contents from moving machine parts

Versatile Stacking

Stacking from either direction and with all major competitors

Open Wall Design

Open profile facilitates superior washing, complete rinsing and fast drying

Quick Draining

No flat surfaces to trap water or loose food particles within the rack—ensuring rapid drying

4-way Tracking

Easy dish machine loading from any side without the need to rotate racks

Locking Extenders

Unique snap-on design allows for fast, simple assembly

Comfort Curve Handles

Comfort Curve Handles—molded into all four sides for easy handling, won't pinch fingers

The Honeycomb

We've developed the most highly engineered warewashing solutions to improve your establishment's operational efficiency. Carlisle utilizes a tested geometric honeycomb structure, admired and studied since ancient times. The honeycomb design delivers unmatched durability while simultaneously increasing the flow of water through each rack. The open honeycomb design also eliminates flat surfaces and corners that would otherwise harbor food particles allowing water to drain and contents to dry quickly.

NeWave™

In pursuit of an even more efficient foodservice operation, we developed the OptiClean NeWave glass rack. These rounded wave design racks hold 20% more glasses than equivalent, square-compartment racks. This means more glasses in less racks, reduced chemical and/or water usage and improved labor efficiency. NeWave also holds glasses securely in place, resulting in minimal movement and reduced breakage.

Easy Identification

Water is not the only aspect we engineered to flow. A color-coded system allows operators to choose their own method of identification to categorize by the type of glass, location of wares within the facility or even specific types of events. This color-coded system allows your operation to flow smoothly and eliminate unnecessary confusion for both existing and new employees.

Textured Finish

Non-slip textured finish on outside walls reduces scratches to keep racks looking new, improve durability and provide a secure grip

6 Extender Colors

NSF Listed

How To Create The Correct Item Number For Your Washrack

1 Each item begins with an **R** for rack

2 Second digit indicates type

G // Glass
W // NeWave
C // Cup
P // Peg/Plate*
B // Bowl*
F // Flatware*
SP // Sheet Pan*
FP // Food Pan*
PC // Plate Cover*
TP // Tall Peg*
OP // Open Peg*

**Skip to Step Six*
Only available in Blue(14)

3 Glass, NeWave (only 20 or 30) & Cup (only 16 or 20) racks have additional digits beginning with number of compartments

9 // Nine Compartment
16 // Sixteen Compartment
20 // Twenty Compartment
25 // Twenty-five Compartment
30 // Thirty Compartment
36 // Thirty-six Compartment
49 // Forty-nine Compartment

4 To add extenders, add a dash and the # of extenders*

-1 // One Extender
-2 // Two Extenders
-3 // Three Extenders
-4 // Four Extenders
-5 // Five Extenders

* RW racks have a standard integrated extender, therefore an additional extender for each line listed above e.g. RW20-1 includes two extenders.

5 If you want color-coded extenders, add a **C** — Otherwise, skip this step

6 Lastly, add the color-code

410 // Red/Blue
411 // Yellow/Blue
412 // Orange/Blue
413 // Green/Blue
414 // Lavender/Blue
14 // Blue

7 This order is for a glass rack with 25 compartments, 3 extenders and the top extender is red.

OPTICLEAN®

Color-Coded Glass Racks

- OptiClean Glass Racks with Color-Coded Extenders make it easy to identify glass rack size or match specific glassware with a specific rack simply by color
- Carlisle's OptiClean system includes a full range of glass racks designed to meet your needs
- Full dividers in the base offer complete protection for delicate rims
- NSF Listed

Available Colors & Combinations

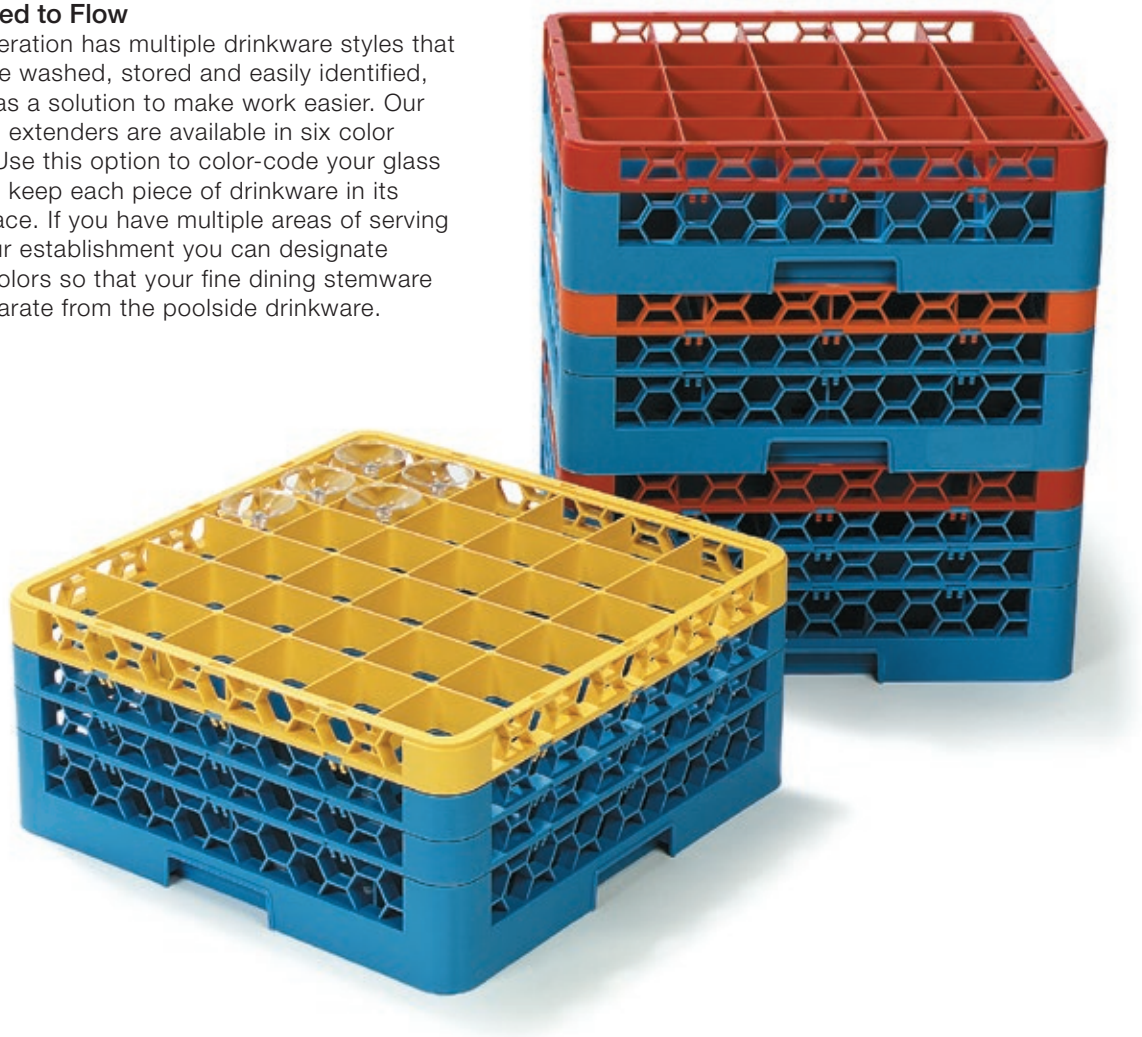
Yellow(04) | Red(05) | Green(09) | Blue(14) | Orange(24) | Lavender(89)

Red/Blue(410) | Yellow/Blue(411) | Orange/Blue(412) | Green/Blue(413) | Lavender/Blue(414)

New Color-Coded Options

Engineered to Flow

If your operation has multiple drinkware styles that need to be washed, stored and easily identified, Carlisle has a solution to make work easier. Our OptiClean extenders are available in six color choices. Use this option to color-code your glass racks and keep each piece of drinkware in its proper place. If you have multiple areas of serving within your establishment you can designate specific colors so that your fine dining stemware stays separate from the poolside drinkware.



OptiClean NeWave Color-Coded Glass Racks

- Fits 25% more glasses which saves on chemical cost by washing more glasses per cycle
- Honeycomb design allows a free flow of soap and water and balanced weight dispersion when racks are stacked high
- Compatible stacking with standard dish racks ensuring a smooth transition to Carlisle washracks without interrupting workflow
- Color coded extenders allow for convenient identification
- Most durable rack in the market
- NSF Listed

Get more clean glasses per wash cycle. Check out the measurement chart on page 237 to find the most efficient wash rack for your glass size.

OPTICLEAN®

Dish Racks

OptiClean Dish Racks offer the safest and most sanitary cleaning choices for everything from the most fragile tableware to heavy-duty kitchen items such as utensils and cutlery. These racks are NSF Listed and offer all the same great features as the rest of Carlisle's wash racks such as sturdy double wall construction and Comfort Curve™ Handles molded into all four sides.

RTP

Peg Racks

- Holds plates, trays and platters at the best angle to take full advantage of today's multiple spray, high-pressure dishwashers
- Plate locks hold dishes firmly in place to protect delicate rims, reduce chipping and breakage
- Use with additional Open Extenders (RE) to create the perfect rack for irregular or oversize drinkware
- NSF Listed

ROP

Tall Peg Plate & Tray Rack

- Extra tall 2.94" pegs are ideal for charger plates, pasta bowls, large platters and trays

Open End Peg Rack

- Tall 2.94" pegs with open ended design hold all types of trays, standard size baking sheets and other long items

RB

Open/Bowl Rack

- Sturdy open bottom rack is ideal for all large bowls, containers, brushes, cookware and cutlery

Combination/Flatware Rack

- Bottom grid allows for free flow of water and air
- Keeps flatware in place for thorough washing and drying
- Perfect for ramekins and other small items
- NSF Listed

Cup Racks

- Tilted design promotes thorough washing of rims and interiors
- Encourages concaved bases to drain more efficiently, eliminating pooling water
- 16-Compartment holds larger diameter cups and mugs in tilted position; compartment size: 4.34" x 4.34"
- 20-Compartment works with most standard size cups; compartment size: 4.34" x 3.41"
- NSF Listed

RC20-1

Bakery Tray & Sheet Pan Rack

- Rack securely holds sheet or bun pans low enough to fit standard height dish machine openings
- Contents are angled to take full advantage of multiple spray arms
- NSF Listed

RSP

Food Pan/Insulated Meal Delivery Tray Rack

- Accommodates all sizes of 2.5" deep food pans and standard steam table inserts
- Racks are angled for thorough cleaning
- Perfect for health care or correctional facilities using insulated meal delivery compartment trays
- NSF Listed

RFP

Plate Cover Rack

- Use with plate covers, dishwasher safe insulated dome covers or dishwasher safe pellet bases
- Specially designed insert keeps contents separated during washing
- NSF Listed

PLAQUE-A-RACK

Carlisle's Plaque-A-Rack System is the proven standard in custom rack labeling. The highly visible plaques fit up to three across on both bases and extenders for complete versatility. Plaques can be easily added, removed or changed as needed. Sturdy reusable plaques are made from a high-impact plastic and won't come off during the normal wear and tear of daily usage – offering a permanent identification system for the life of your racks.

Plaque example shown above: XRG25-2 with 203, 303, 103

- Plaque-A-Rack provides four ways to customize your Glass Rack System:
  – glassware silhouette
  – glassware style by name
  – location of glassware usage or storage
  – custom color coding options
- Plaques are hot stamped for durability
- Plaques are Carlisle Blue(14), unless otherwise specified
- All plaques are 3" long by 1" high with a printable area of 2-1/4" long by 11/16" high
- Racks can be ordered with up to three possible plaque imprints
- There is a $4.16 U.S. list price charge per rack for each Plaque-A-Rack order (includes 2 plaques on 2 sides); special orders for plaques on all four sides have a $8.32 U.S. list price (includes 2 plaques on 4 sides)
- Plaques may also be ordered separately at $1.04 U.S. list price each
- Plaques are placed horizontally on two opposite sides of the rack along the top most edge
- Plaques snap on for a tight fit; won't fall off during normal use
- Plaques can be removed if necessary and are re-usable
- Allow ten working days for shipment of your standard order
- Plaqued racks sold in full case quantities only
- Please allow 4-6 weeks from approval of sample for custom plaques
- Custom imprinted plaques are $1.04 U.S. list price each with an additional $50 U.S. net price setup fee per plate
- An additional $142 U.S. net price dye charge will apply to any plaque order that does not include racks
- For custom color coding, please specify which color is to be used for each rack
- Custom plaques have a max of 9 characters in upper/lower case; 7 character max in all caps
- All plaque sales are final

How To Order

Follow instructions below and refer to the charts on the facing page for catalog numbers.

Step 1: Choose the glass rack that best fits your glassware.

Step 2: Plaque-A-Rack glass racks are identified by an "X" preceding the standard glass rack catalog number (example: "X"RG25-1 25-Compartment Plaque-A-Rack glass rack with one extender).

Step 3: Choose the different imprints you want from the types of plaque imprints available.
- Silhouette
- Name of glassware
- Location

Step 4: Place the three digit plaque catalog imprint product number next to the standard glass rack catalog number.

EXAMPLE:
Rack Choice: RG25-1
Silhouette: Red Wine
Glassware Name: Red Wine
Location: Service Bar
Catalog No: XRG25-1 204 304 104

Flagged

Great for fine debris and use on smooth surfaces

Unflagged

Great for larger debris and rough surfaces: Bristles prevent ends from matting making this style perfect for back-of-house and outdoor applications

Duo-Sweep® Straight

- Two handle holes; upright hole for general purpose sweeping or angle hole for reaching into corners, along walls or into hard to reach areas
- Flagged blue synthetic bristle for fine debris
- Stiff black synthetic bristles can be easily cleaned to extend broom life
- Guaranteed to outlast up to four corn brooms

Fine

- Recommended use: Fine powder and dust removal on polished wood, marble, terrazzo or ceramic tile floors
- Heavy-duty plastic block resists splitting and cracking and is unaffected by moisture
- Soft, flagged bristles

36204824

Medium

- Recommended use: For general sweeping of smooth concrete, unpolished wood, vinyl and tile floors
- Heavy-duty plastic blocks resist splitting and cracking and are unaffected by moisture
- Horsehair polypropylene is a perfect blend of soft bristles for fine dust and stiff bristles for heavier debris
- Use black natural tampico bristles for heavy dirt
- Black polypropylene bristles resist oil and water while maintaining shape

FLOOR SWEEPS

Heavy

- Recommended Use: Outdoors on rough surfaces such as sidewalks and parking lots
- For wet or dry sweeping
- Polypropylene (PPY) bristles are stiff and long lasting under harsh conditions. PPY bristles resist oil and water making them ideal for back-of-house cleaning
- Palmyra bristles are medium stiff and long lasting under harsh conditions
- Plastic blocks are extremely durable and resist water, cracking, splitting and chipping
- Wood blocks are made with natural lacquered hardwood

DUSTPANS & SWEEPERS

Lobby Pan & Broom Combos

- Lobby pans and brooms with sectional handles to give you over 50% reduction in carton size; lower cube saves warehouse space and shipping costs
- The lobby pans pivot and lock into place during use and release for easy carrying or emptying
- Handles feature a pivoting hanging hole at top for storage

361415 Combo includes the following:

– Serrated edge allows you to comb the broom's bristles and drop debris into the pan

– Handy clip to attach broom for convenient storage

– 30" two-piece handle made from vinyl coated steel

361416 Combo includes the following:

– Adjustable position head for more functional use in corners and under counters or tables

– 3 piece, 30" handle

– Handy clip to attach broom for convenient storage

– Shelf-friendly packaging

FLOOR SQUEEGEES

Straight Rubber Squeegee with Metal Frame

- Durable construction
- Non-marking single red gum rubber blade with medium flexibility
- Heavy duty steel frame with red powder coating

VersaClean™ Brush & Squeegee

- It's a broom, scrub brush and squeegee all in one! Can be used on wet or dry surfaces
- Unique non-marking synthetic rubber bristles can build electrostatic charge to pick up hair or other light debris from soft or hard floor surfaces
- Durable bristles are excellent for scrubbing
- Dishwasher safe making it one of the most hygienic broom and brush options on the market
- Resists most chemicals and withstands temperatures up to 212°F

Squeegee cleans up wet surfaces quickly

Picks up light debris from carpet, rugs or bare floors

Use as an agitator for stubborn spots on tile or concrete

Built-in one-piece squeegee works on rough concrete surface

HANDLES

Carlisle offers **a large selection of professional quality handles** that include fiberglass, plastic, metal, hardwood and telescoping.

Color-Coded Fiberglass Handles

- Durable for heavy usage
- For use with push brooms, sweeps, squeegees and floor scrubs
- Fiberglass handles are available in threaded, tapered/threaded and telescoping
- Self-Locking Flex-Tip Handle offers greater flexibility and reduces handle stress

FIBERGLASS

Color-Coded Stainless Steel Handle

- Durable for heavy usage
- Color-Coded grip aligns with food safety (HACCP)
- Provide rigid stability
- Highly chemical resistant
- Standard threaded end

HANDLE ACCESSORIES

Roll 'N Grip™ Broom & Brush Holder System

- Adjustable rack holds a variety of different handle diameters
- Comes with a convenient hook for tools and brushes (additional hooks and grippers are available by special order)
- Rack anchor holes are 16" on center (mounting screws included)

Roll 'N Grip Plus

- Constructed of light-weight, durable ABS and rubber
- Fold-up hanging hooks for smaller items
- For use in temperatures from -4°F to 176°F
- Grips accommodate items from 5/8" - 1-1/4" in diameter and 0.4 - 8.25 lbs
- Hanging hooks can hold up to 1.5 lbs each

Color-Coded Brush Rack

- Heavy-guage aluminum
- Extra deep (2-1/4") frame extends out from wall to allow brushes to hang with bristles facing the wall
- Holds up to 10 hanging tools
- Mounting holes are 16" on center (mounting screws included)
- Available in 5 colors to support HACCP compliance

WET MOPPING GUIDE

Use the guide below to help choose the right products for your floor care needs.

General Mopping

Choose mops with high absorbency, release and durability. If laundering facilities are available, it is beneficial to take advantage of launderable mops to save money. For performance and durability choose a synthetic blend or rayon mop with looped end and woven tailbands.

Finish Mopping

For finish mopping applications look for a rayon or synthetic mop. These mops offer high absorbency and release. To make sure you are achieving maximum floor coverage with minimal streaking choose a tailband and looped end yarn.

Yarn

- It is important to choose the right mop in order to get maximum efficiency
- Some yarns naturally perform specific cleaning tasks better than others

Yarn Ply

- Yarn ply is the number of strands twisted together to make a single yarn strand
- Although more plies give added strength, it does not always mean higher quality yarn
- More strands can add durability, but they decrease absorbency
- It is better & more cost effective to choose a higher quality yarn than a high ply, low-quality yarn

Twist

- The “twist” of a yarn is a result of how tightly the fiber strands are wound together
- A tightly twisted yarn might have more strength & last longer, but it can have less absorbency
- The best choice is determined by the type & quality of the yarn, as well as the mop’s construction
- Mops with looped-end construction allow the yarn to have a loose twist without the fraying

	Advantages	Disadvantages	Use
Cotton	Good absorption & retention with limited shrinkage & a low initial cost.	Break-in period required. Slow drying yarn leads to mildew & deterioration. Lints.	Designed for general use. Scrubbing & cleaning up liquids.
Synthetic	Long stable fiber offers excellent tensile strength without linting.	Higher cost. Poor absorption.	Rough surfaces.
Cotton Synthetic Blend	Excellent choice for performance, price & durability. Synthetic fiber offers durability & color options.	Possible shrinkage.	Requested by professionals who require a better, longer lasting mop.
Rayon	Absorbs quickly with easy release. Dries fast & is mildew resistant. Cleaner yarn with less linting.	Shrinks when laundered and has less liquid retention.	Use for applying liquids such as disinfectant or floor finishes.

ENVIRONMENTALLY FRIENDLY

The majority of our mops are made with recycled material.

Band Styles

Wide Band

Vinyl coated mesh – 5" width

Narrow Band

Textured polyester tape – 1.25" width

Screw Top

Textured polyester tape with a metal screw on attachment – 1. 25" width

Handle — Jaw Style

Handle — Quick Change/Release

Handle — Screw In

WET MOPPING GUIDE

Use the guide below to help choose the right products for your floor care needs.

Cut-End Or Looped-End

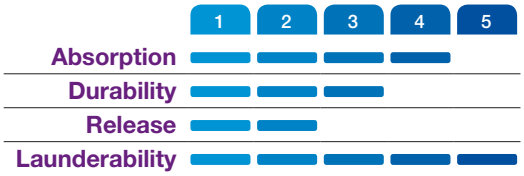
Cut-End

- Cut-end mops are the most popular
- Low purchase price compared to looped end
- Cannot be laundered
- Cover less area per pass when mopping

Looped-End

- Superior performance and lasts longer than cut-end mops
- Launderable
- Tailband style gives better mopping coverage
- Looped-ends prevent fraying and unraveling so you can achieve reduced labor costs and replace mops less often
- Although the initial investment is more than a cut-end style, the life expectancy makes looped-end mops a more economical choice

How We Rate Our Mops



Absorbency

The absorbency of a mop refers to the ability to pick up and retain liquid. Higher levels allow faster floor drying times, leading to greater productivity and safety. Rayon and cotton yarns have the highest absorbency.

Durability

Mop durability is a measure of how long it will last or perform before needing replacement. Synthetic and blended mops are the most durable.

Release/Retention

Release is the ability of a mop to disperse liquid onto the floor or during wringing. Higher levels allow faster and more complete wringing, as well as more efficient application of cleaning solutions on the floor.

Launderability

The launderability is based on the number of washing cycles it can withstand before the construction of the mop is degraded. Synthetic and blended fiver mops have the highest levels of launderability.

Sizes Are Indicated By Tailband Color

Small

Medium

Large

X-Large

Brick Packs

Mops that are available in brick packs reduce cube up to 62%

(Item numbers ending with a "B" are sold in brick packs)

LOOPED END MOPS

Synthetic/Cotton Blend Looped-End

CARLISLE
FOODSERVICE PRODUCTS

PROFESSIONAL DURABLE TOUGH HARD-WORKING **TRANS-PORTATION EQUIPMENT**

Carlisle's high quality dollies, carts and caddies help you reduce the risk of food contamination and employee injuries.

CARTS

Our **unique combination** of space saving design, load capacity and long-lasting durability provide **superior value** and make Fold 'N Go the transport cart every foodservice operation needs. **Perfect for full kitchens, hallways or off-site catering**; Fold 'N Go Carts **support 350 pounds** and fold up in a single, quick and easy motion. The cart **ships fully assembled** making ownership a joy from the very beginning.

Fold 'N Go® Carts

- Folds up to store easily behind doors, between counters or in small spaces
- Solid legs and sturdy shelves hold up to 350 pounds
- Cart ships fully assembled; no tools or complicated latches required
- Collapses to 9" width and 10.5" width; stores easily behind doors, in between counters or back of delivery vans
- Folds down, tucks away and is always available for multiple purposes
- Shelves are easy to clean; top shelf has ergonomically shaped, easy grip handles at both ends for a fast, secure grip
- 4" heavy-duty, non-marking swivel casters with molded-in metal reinforcement plates are permanently staked to .75" solid aluminum legs for longer life and added strength and rigidity

DISH DOLLIES

Optimizer™ Adjustable Dish Dollies

- Adjustable dividers eliminate the need for individually sized dollies
- Dollies hold plates from 5.5" to 12.5"
- Polyethylene dividers and walls help prevent dish edge chipping
- Two-handed access to all plates reduces breakage
- Non-marking casters (2 locking, 2 non-locking) for easy transport of loaded dollies
- Includes vinyl cover with easy-opening hook & loop side included for sanitary storage
- Find replacement parts at www.carlislefsp.com/replacement-parts
- NSF Listed

ADD4

ADS4

ADD4, ADD6 Optimizer Dollies Also Feature:

- Most flexible dolly available; holds trays, plates, and platters
- ADD6 holds oval platters from 9.5" x 7.25" to 13.5" x 10.5"
- Holds 5 stacks of 9.88" to 11.25" plates; 25% more than any other similar dish dolly
- Holds 8 stacks of 5.5" to 8.25" plates; 33-50% more than any other similar dish dolly (up to 50 or more plates per stack, depending on plate profile)
- Use 2 to 4 dividers for 10" or larger plates; 6 dividers for 8" to 9.75" plates; 8 dividers for 8 stacks of 7.75" or smaller plates
- 2 dividers for 13.5" x 10.5" platters; 6 dividers for 9.5" x 7.25" to 12" x 9.25" platters.

ADS4, ADS8 Optimizer Dollies Also Feature:

- Smaller size fits through narrow corridors or under tables
- Flexible configuration holds a variety of plates and platters

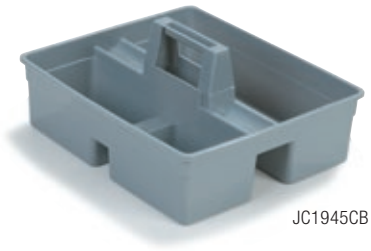
JANITORIAL CARTS

Janitorial Carts & Accessories

- Rugged polypropylene resists cracking, peeling and corrosion
- Three durable shelves with raised edges keep items organized
- Platform base holds a Bucket/Wringer or 23 gallon TrimLine™ Waste Container
- Includes a 25 gallon nylon bag for waste or laundry collection
- 3" standard Carlisle non-marking swivel casters in front; large 8" non-marking rear wheels

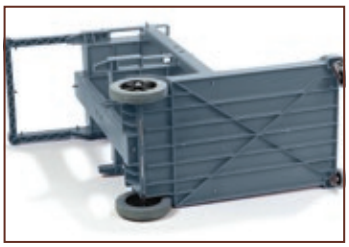
JC1945S



JC1945CB

Integrated tool holders, shelves and hooks keep everything organized including unwieldy handles.

Front hooks hold most standard Wet Floor Signs. Built-in hanger holds multiple spray bottles.



Structurally reinforced base and heavy-duty casters/ wheels withstand rough use – holds up to 300 lbs.

Tough 25 gallon nylon bag easily attaches to cart arm. Hooks on top of arm to hold trash liners in place. Arm swings up for more compact storage when not in use.

Tool Caddy

- Handled caddy fits in the top compartment of the JC1945 cart series
- Deep compartments prevent spills
- Made of durable polypropylene

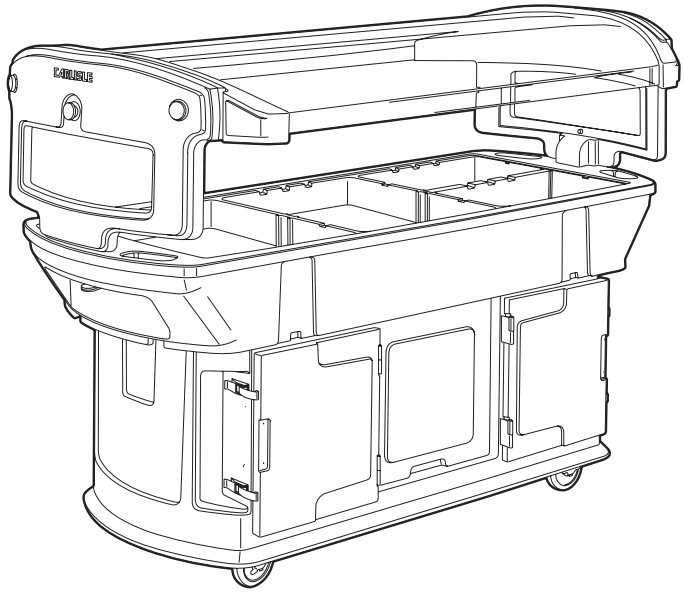
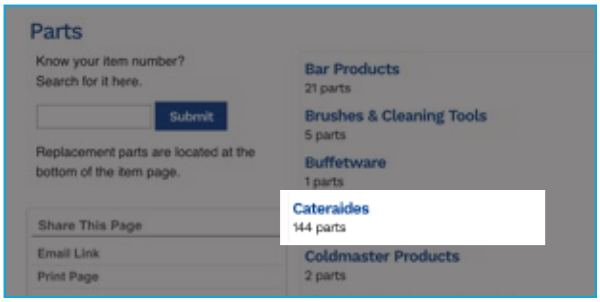
REPLACEMENT PARTS

In order to better identify and find the replacement parts you are looking for, we have created an easy-to-use web page. Please use the web address below and the steps outlined to navigate and find what you are looking for.

www.carlislefsp.com/replacement-parts





2. Replacement Parts Landing Page

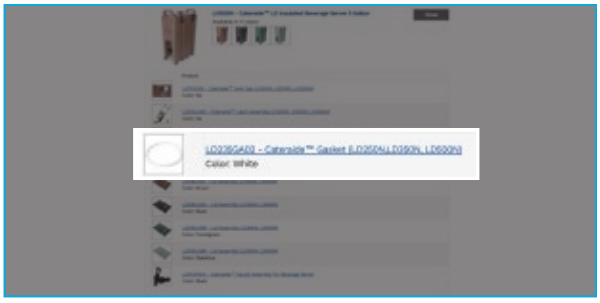
You will navigate to a list of product groups with the total amount of parts available listed below the title

Click on the category you need or search by item #

3. Category Listing

After choosing your category, you will find a list of products within that category

Click on the item that needs a new part



4. Available Replacement Parts Drop Down Menu

A drop down menu will reveal the available replacement parts for your product

Click on the specific replacement part that you need

5. Replacement Part Item Page

Lastly, you will be taken to an item level web page that will list additional information for the part

CUSTOM DECORATING

For more information and a complete list of custom decorating options please visit the url below.

www.carlislefsp.com/customer-service/custom-decorating

Carlisle offers a variety of options to customize the products that we produce. From screen printing to hot stamping, we can add your logo to items ranging from plates to trash cans.

For more information please visit our custom decorating webpage listed above or contact Carlisle Customer Service by phone at 1-800-654-8210 or via email at customerservice@carlislefsp.com

TERMS & CONDITIONS — Carlisle FoodService Products

1. Terms and Method of Payment

a. All orders are subject to approval and acceptance by SELLER. No order accepted by SELLER shall be subject to cancellation, termination, suspension, change, reduction, cutback or other modification except with SELLER'S prior written consent.
b. Our standard terms of payment are net 30 days from invoice date. The amount of terms of credit, if extended, may be changed or credit withdrawn by SELLER at any time. No orders will be shipped on a COD basis.
c. Prices do not include federal, state or local taxes, duties or other levies, now or hereafter enacted, applicable to the items deliverable under the sales order or invoice (hereinafter called ITEMS), which taxes, duties, or other levies will be added by SELLER to the sales price and will be paid by BUYER unless BUYER provides SELLER with a proper exemption certificate.
d. Packaging for commercial shipment is included in the contract price. Any special packaging, crating or shipping instructions must be noted on BUYER'S original order and acknowledged by SELLER.

2. Title and Delivery

The ITEMS shall be delivered F.O.B. SELLER'S plant, and title thereto shall pass to BUYER, upon SELLER'S delivery of the ITEMS to a common carrier for shipment to BUYER. All items from the Carlisle FoodService Products catalog may be combined to obtain prepaid freight, regardless of the shipping point. Freight is prepaid on all orders totaling $3,000 net or more to one destination within the contiguous 48 United States. Freight on prepaid International Shipments will be paid on normal ground transportation from shipping point to the consignee. When the order qualifies for prepaid freight, Seller shall have the right to select the means of transportation. If Buyer requires a means of transportation other than the one normally selected by Seller, any extra cost incurred by reason of using such other means shall be paid by Buyer. Palletized international orders requiring heat treated pallets will be charged $4.25 net per pallet. International orders requiring heat treated certified bark-free pallets will be charged $18.50 net per pallet. Any accessorial charges incurred because of a customer request will be the responsibility of the requester. Any items backordered from a prepaid shipment will be forwarded prepaid. Items backordered from ex works shipments will be forwarded ex works.

3. Inspection and Acceptance

Thoroughly inspect all shipments. Do not accept a damaged or short shipment until exception is noted on the freight bill. BUYER will be held responsible for all shipments with freight bills signed free and clear. If concealed damage is discovered, contact the freight company immediately for inspection. Concealed damage must be reported to the carrier within 7 days of receipt. All damaged goods and shortages that are not properly documented and reported upon receipt become the sole responsibility of the BUYER.

4. Patent Indemnification

SELLER shall protect and indemnify BUYER and its directors, officers, agents and employees against all claims for damages or profits, including all reasonable costs incurred by BUYER in connection therewith, arising from infringement of patents, copyrights, trademarks or misappropriation of designs.

5. Returns and Cancellations

No returns will be accepted without an authorization number from Carlisle FoodService Products Customer Service. An authorization number may be obtained by calling 800-654-8210 and requesting a Return Authorization from Customer Service. All requests for return must occur within 90 days of the original shipment of the product unless special authorization is obtained. Merchandise returned without authorization will be refused and returned to the customer, freight collect.

Any merchandise must be returned freight prepaid, and is subject to a minimum of 15% restocking charge.

All returned goods must reference the original invoice and purchase order. Returned goods must be in original standard packs and in unused salable condition. Special Order Products and discontinued items will not be accepted for exchange or return. This includes any articles custom imprinted or modified for purchaser.

6. General

a. All prices are list and subject to change without notice. Orders from authorized accounts will be accepted with the understanding that prices are those in effect at the time of shipment. These prices are exclusive of all sales taxes which may be levied by State, Federal, or City governments.
b. Orders less than $100.00 net will be charged a $10.00 handling fee. The initial order requirement for a new customer is $3,500 net, and must be accompanied by a tax exemption certificate.
c. Orders calling for less than a standard case pack will be charged $5.00 net each per broken case.
d. Orders requiring 3rd party freight billing will be accessed a $5.00 per order processing charge.
e. All orders of custom products are subject to shipment of plus or minus 10% of the quantity ordered.
f. No ITEMS to be furnished hereunder shall be exported by BUYER unless SELLER is first notified in writing of the intention to so export and all applicable regulations and licenses are complied with and obtained by BUYER or its customer.
g. SELLER hereby certifies that the goods described herein of its manufacture will be produced in compliance with all applicable requirements of Sections 6, 7 and 12 of the Fair Labor Standards Act, as amended, and all order of the United States Department of Labor issued under Section 14 thereof. SELLER further certifies that it is in compliance with the Equal Employment Opportunity clause in Section 202, paragraphs 1 through 7 of Executive Order 11246, as amended, relative to equal employment opportunity and the implementing Rules and Regulations of the Office of Federal Contract Compliance.
h. SELLER is not responsible for typographical errors made in any of its publications or for stenographic or clerical errors made in preparation of quotations, sales orders, acknowledgments, or invoices. All such errors are subject to correction.
i. This agreement shall be governed by the laws of the state of Oklahoma.
j. SELLER'S "Terms and Conditions" as set forth above shall govern all transactions. Any inconsistent terms of BUYER wherever set forth and whether oral or written, shall not be binding upon SELLER unless agreed to by SELLER in writing. No waiver or exception to any of the hereinabove enumerated conditions or any of the special terms and provisions relating to any order shall be binding upon SELLER unless agreed to in writing by SELLER.
k. SELLER reserves the right to change or discontinue the color, design, component content or price of any ITEMS in SELLER'S catalog or published price lists without prior notice at any time.

The specifications and prices listed in this document are subject to change. Carlisle does not assume responsibility for typographical errors.
