

Serve Smarter CATERAIDE™ PAN CARRIERS

Crafted for Caterers

Operating a catering business can be seamless and problem-free when outfitted with the right tools. Use Cateraide™ PC Insulated Food Pan Carriers to keep food at the desired temperature for hours! Dedicated to holding food at steady hot or cold temperatures for up to 6 hours, these dependable food pan carriers are made of ultra sturdy, insulated plastic and molded with ridges inside to accommodate a variety of multi-sized pans.

Insulated Front Loading Food Pan Carrier

Features & Benefits

- **Insulated Design:** Keeps food hot or cold up to 6 hours
- **Versatile Pan Storage:** Accommodates multiple depths and sizes of pans to store large amounts of food
- **Sturdy Construction:** Made of ultra-strong plastic which will endure bustling catering environments
- **Ergonomic Handles:** Molded with ergonomic handles to easily carry and transport
- **Heat Resistant:** Up to 200°F
- **Automatic Self-Venting System:** Eliminates unsanitary vent openings and easily lost vent caps
- **PC300N** holds five 2.5" deep pans or a combination of multiple depths and sizes of pans
- **PC600N** has twice the capacity of PC300N
- **Accessory:** Use with CaterCooler to help keep foods at ServeSafe® temps longer
