FLOOR SCALES

FLOOR HUGGER

Heavy-Duty Floor Scales

The **Floor Hugger** above-ground platform scales provide the latest in weighing technology. These models are ideal for all types of manufacturing, food and chemical processing, and shipping-receiving operations where a heavy-duty floor scale is needed. The unique load cell assemblies are self-checking, incredibly well-protected, and environmentally sealed for those less-than-perfect locations. Other design features include a rigidly constructed weighbridge with easy-to-remove optional ramps. When necessary, the entire scale can be conveniently lifted, moved, and re-installed as your production and traffic flow needs change.

Model	Platform Size	Approx. Ship Weight
Capacity: 1,000 lb x 0.2 lb (454 kg x .09 kg)		
FH-133-II	3' x 3' (.9 m x .9 m)	165 lb (75 kg)
FH-144-II	4' x 4' (1.2 m x 1.2 m)	240 lb (109 kg)
FH-155-II	5' x 5' (1.5 m x 1.5 m)	330 lb (150 kg)

Choose from the digital weight indicators below to complete your Floor Hugger scale or consult the factory for the weight indicator best suited for your application.

RUN-A-WEIGH

Portable Floor Scales

The Run-a-Weigh lets you put the scale where you need it, when you need it.

Weighing in at less than 100 pounds (45 kg) and featuring built-in handles and wheels, the **Run-a-Weigh** is easy to lift and roll to wherever you need it. Whether it's multiple weighing locations at a single facility or the need to take a scale to special job sites, the Run-a-Weigh gives you true portability. This portable scale features a Cardinal digital weight indicator which can be mounted on the wall or desk for convenient viewing. Setup is simple and quick with the Run-a-Weigh's self-aligning feet. Heavy-duty construction, stainless steel load cells, large checkered safety platform with integral ramps, and the 500 or 1,000 lb (225 or 450 kg) capacity make this the perfect scale for weighing barrels, drums, and small crates - anywhere! **Comes with the 204 indicator.**

Model	Capacity	Approx. Ship Weight
Platform Size: 30" L x 40" W (76 cm L x 1 m W)		
RW-500	500 lb x 0.2 lb 225 kg x 0.1 kg	105 lb (48 kg)
RW-1000	1,000 lb x 0.5 lb 450 kg x 0.2 kg	105 lb (48 kg)
