SWIBO SPECIAL HANDLES FOR MAXIMUM SAFETY

The Swibo Collection was created to optimize safety in the kitchen. In a busy working environment, it's easy for equipment to go unseen or be misused, which is why these knives feature a bold orange handle to signal their presence. For extra cutting security, the handle is extended toward the blade, giving greater control and precision, and the sharp, polished blade slices smoothly through whatever is put in front of it. It's a safety-conscious collection.

- With special handle shape for extra safe cutting
- Precision guarantees the perfect cut
- Easy visibility thanks to signal-colored handles
