

Portables

CUSTOMIZED SOLUTIONS

- Hatco Portables hold a variety of foods at proper temperatures and maintain product quality for serving while providing unlimited flexibility for each operator's unique foodservice needs
- Ideal for buffets, cafeterias, catering, clubs & bars, concessions, convenience stores, restaurants & cafés, and supermarkets & delis
- Models available with a variety of surfaces – from black ceramic glass to aluminum and more – and sizes to complement any décor and operation

BETTER FOOD QUALITY

- Uniform heat distribution and thermostatically-controlled heated bases maintain optimum serving temperatures and extend food holding times
- LW models feature a specially designed stand to provide effective insulation
- GRHW, GRBW and GR2BW models include a pre-focused infrared top heat that directs heat to the outer edges where heat loss is the greatest

SAFE FOOD HANDLING

- Shelves are made of approved foodsafe materials
- Sturdy plexi-glass sneeze guards enhance and protect food products simultaneously

IDEAL ILLUMINATION

- GRHW and GRBW models include shatter-resistant incandescent lights to illuminate the warming area and to enhance product display while safeguarding foods from bulb breakage
- ◊ Optional halogen bulbs available for GRHW models

FRESH APPEARANCE

- Many models available in all *Designer* colors and Swanstone® simulated stone colors to match your décor
- GR2S and GR2BW models have a contemporary look with *Designer* inset panels

BUFFET STYLE

- Provide self-serve convenience by placing the food products at the customers' fingertips in buffet lines or as hors d'oeuvre displays
- Keep the customers' focus where it belongs – on the product

DESIGNER COLORS

SWANSTONE® SIMULATED STONE COLORS
