Portable Lamp Warmer

Model: LW-2

The Hatco Portable Lamp Warmer holds your food products at serving temperatures. The specially designed powdercoated stand keeps food holding pans above the countertop, providing an effective insulation to prolong serving times.

The Lamp Warmer is perfect for holding appetizers, chicken wings, fried foods or other hot foods. Ideal for restaurants, cafeterias, concession stands, convenience stores, and delis.

Standard features

- Two vented lamps with heavy-duty sockets
- The Hatco Lamp Warmer comes with two 250-watt clear uncoated heat bulbs
- Holds one full size, two half size or three third size pans
- Adjustable stand that varies the height 10.5" to 16.5" (267-419 mm) from the bottom of the lamp shroud to the top of the food pan
- Total height varies from 24.375" to 30.375" (619 to 772 mm) (includes feet)
- The LW-2 has a 6' (1829 mm) cord and plug with in-line power switch located outside of the heat zone
