WHY SCOTSMAN?

Scotsman - Above and Beyond Great Ice Machines

Scotsman is more than just great ice machines. We back up quality products with The Ultimate Ice Experience. This starts with our world-class manufacturing facility in South Carolina, to our high quality and reliable products, and extends to our dedicated support network. From beginning to end, Scotsman's channel partners and customers get the products, service and support they deserve.

Award Winning Manufacturing & Products

When equipment is functioning smoothly, operators have more time and energy to spend on serving customers. That's why Scotsman offers an impressive array of technology that keeps operators informed – well before issues arise.

Designed, Engineered & Assembled In The USA

At Scotsman, our quality story begins inside our award-winning production facility in South Carolina. And with 99% of our equipment U.S.-based, we're proud to keep things close to home.

24/7 Technical Support

Our Technical Service department has a 24 hour emergency line so there is always a Scotsman representative available to help when you need it. We also have an area on our website specifically dedicated to technical information.

Certified Product Performance

So you don't have to just take our word for it, AHRI provides Scotsman with certifications for almost every single one of our ice machines and bins. Scotsman is ISO 9001:2015 certified with 100% of our units being quality checked before leaving the plant.

Focus on Energy & Savings

Offering several ENERGY STAR® certified models, Scotsman ice machines incorporate a superior design that reduces energy and water consumption, making a difference for the environment and the bottom line. Look for the ✓ symbol throughout the price book to find our qualified products.

Innovative Sales Tools & Trainings

Scotsman has created several tools to help our partners and customers learn more about our brand and products. These tools include the Resource Center, Sales App, Ice Machine Sizing and Selector Tool, Comparison Tool and more.
