All products must operate where air temperature does not fall below 50°F and does not exceed 100°F. Extended periods of operation at temperatures exceeding these limitations constitute misuse under the terms of Scotsman Manufacturer's Limited Warranty, resulting in a loss of warranty coverage. Failures caused by improper installation are not considered factory defects. Refer to owner's manual for complete installation requirements. Please note: when installed in a corner, the door swing may be limited due to handle contact with the wall or cabinet face.
