Tri-ply Stock Pots

- Larger sizes for higher volume food preparation
- Securely riveted wide loop handles provide excellent stability for larger hands when handling hot pads
- Loop handles offer flat surface area to provide a comfortable safe grip while being carried
- Can be used with any type of cooktop, including induction
- Triangular positioned rivets provide strength - will not loosen in high-volume commercial kitchens
- Mirror finish exterior, satin finish interior
- Available in six (6) sizes
