Aluminum Tables - Stainless Steel Top

Increase your work space with this stainless steel top, aluminum base, commercial work table.

Great for chopping, sorting, and assembling, this work table provides a sturdy, spacious surface for food prep and storage. With its high weight capacity, easy-to-clean surface, and overall functional design, you can organize your kitchen to create an efficient work flow.

This removable top is made of 16 GA, type 304 stainless steel to provide a sturdy surface for kitchen prep tasks and greater corrosion resistance than type 430 stainless steel options; Making it the ideal choice for your kitchen. Durable and easy to clean, this work table provides you with additional work space so you don't have to overcrowd your countertops.

Optional aluminum undershelves are available for additional storage space. You can store your most used supplies as well as flour, sugar, and more on this shelf to keep it all organized and within your reach.

- Shipped knocked down for freight savings. Easily assembles with tool provided.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
- NSF Certified.

Table Frame is designed to accommodate optional accessories (sold separately):
Boat rack, drawer, backsplash and undershelf.
