KIDSITTER 2-IN-1 HIGH CHAIR AND INFANT SEAT CRADLE
KB966 / KB977

Koala Kare
We Care For Kids.

This 2 in 1 product provides the safety and comfort of a high chair and an infant seat cradle. This highly durable commercial product serves as a high chair and can easily be converted to an infant seat cradle by changing the position of the high chair seat. Lift the seat in an upward movement and rotate the seat in the direction of the leg opening (opposite side of the instructional label). Seat will rest between the legs of the chair. The KidSitter® is available in multiple color combinations, making this design friendly with restaurant decors. Meets the ASTM F404-18 High Chair Safety Standard.
