

SERV'N EXPRESS™

Stainless Steel with Laminate Exterior and Serving Counter

Model #682-10
Base 1 shown with optional
slide-out and universal shelves,
cash drawer and umbrella.

Instantly creates an additional point-of-sale location.

- Relieves congested serving areas. Ideal for breakfast, lunch, nutritional snacks, sporting events and more.
- Built to keep its attractive appearance even in the toughest environments.
- Large stainless steel merchandising/working surface offers plenty of space for one or two. Flat surface and cut-out surface for 3 full sized pans are available. See standard base models below.
- Laminate pull out shelf in the center compartment is the ideal location for a cash box. Height clearance is 5" (127).
- Rolls smoothly on 4 ea. tough-duty 8" (203) cushion tread swivel casters - two with swivel lock feature and two with brakes.
- Casters won't pull out from the sturdy metal under chassis.
- Durable metal push handles on both sides for easy maneuvering for one or two workers.
- Sized for maneuvering through doorways, corridors and into kitchen areas.
- Stainless steel interior compartments can accommodate optional pull-out shelves, optional universal ledges or your insulated carriers.
- Stainless steel interior is easy to clean and sanitize, plus it's extremely durable.
- Attractive and durable laminate exterior laminates in popular school colors. Top counter standard color is black.
