

shelf merchandisers let's be up front about this

If you thought it just wasn't possible to display hot foods for retail pickup longer than 30 minutes, think Nemco. Breakthrough heating-element design meets proven merchandising style to bring your best sellers to the front of the house.

Shelf Merchandisers

Capitalize on the profit potential of offering hot foods to hungry customers who crave convenience. For the first time, Nemco shelf merchandisers make it possible to display and hold at optimum temperatures for hours—not minutes.

Available in 18-, 24-, 30- and 36-inch shelf sizes to fit all sorts of high-volume venues. Black or stainless steel option available on all units.
