

THE NECESSARY ACCESSORY

No strain, no gain. There's no way around it. Whatever your pleasure, a good strainer lets you cruise your way to liquid bliss.

Texture for shaken drinks. Smoothness and clarity for stirred drinks. Strainers are the power tools of a well-equipped bar.

Perfection starts with the pour. Because what you filter out intensifies all the goodness left in.

HEAVY-DUTY SPRING BAR STRAINER

- > Heavy-gauge stainless steel for superior durability.
- > Heavy-duty spring to filter ice and other solids. Ensures excellent fit with shakers and mixing glasses.
- > Optimal perforation pattern to allow efficient pouring.
- > Integral prongs to balance strainer on shaker or glass.
- > 18-8 Stainless steel core construction resists pitting and corrosion.
- > Integral finger stop for easier hold of strainer during pouring.
- > 6" overall length.
