LS8698PCP Traditional® 8" x 3" long handle turner

\$45.05

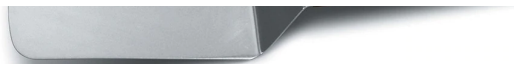

Quantity:

- +

Description

Boasting an overall length of 20", the 8" Long Handle Turner is perfect for camping and tailgating. This turner keeps your hands safely away from the heat and features a durable, stainless steel blade that is precision ground for just-right flexibility. The beveled edges are rounded to assist in sliding under and lifting without piercing the food. For added safety, the offset design keeps your hand away from the cooking surface to prevent burns. For those who prefer the warmth and feel of a natural rosewood handle with a secure grip, this triple riveted, contoured design will fit comfortably in your hand as you tackle food preparation tasks.

LS8698PCP Traditional® 8" x 3" Long Handle Turner

-  Individually ground and honed blade
-  Ergonomic, soft non-slip grip
-  Impervious blade-to-handle seal

Made in the U.S.A.
for over 200 years

We recommend hand-washing and sanitizing to preserve the quality of this product.

Crafted with DEXSTEEL™: The blade is crafted with DEXSTEEL, our proprietary high-carbon, high-alloy American stainless steel. Calibrated to exacting standards, our exclusive formula achieves the ideal composition for optimal strength, durability and corrosion resistance. Blades are also heated and cooled to precise temperatures to enhance the grain structure for maximum performance.

Individually Ground blade: Every blade is individually ground and honed to ultimate sharpness and engineered to retain its sharpness and facilitate rapid re-sharpening.

Traditional™ handle: For those who prefer the warmth and feel of a real hardwood handle, this contoured design will fit comfortably in your hand for a sure grip as you tackle food preparation tasks. Features the richness of high-quality natural rosewood secured with brass compression rivets for a long-lasting, durable addition to your kitchen. This handle adds a stylish traditional element and aesthetically pleasing performance to your lineup of cutlery.
