## Warranty

### **THREE YEAR PARTS AND LABOR WARRANTY**

This warranty applies to all shipments made from Fogel USA after December 1, 2013

Fogel warrants to the original purchaser of every new Fogel refrigerated unit, the cabinet and all parts thereof, to be free from defects in material workmanship, under normal and proper use and ROUTINE Maintenance as specified by Fogel and upon proper installation and start up by a commercially qualified refrigeration company in accordance with the instruction packet supplied with each Fogel unit. Fogel's obligation under this warranty is limited to a period of (3) years from date of original installation or 39 months after shipment from FOGEL, whichever comes first.

Any parts covered under this warranty that are determined by Fogel to have been defective within three (3) years from date of installation or (39) months after shipment from Fogel, whichever occurs first, is limited to the repair or replacement, including labor charges or defective parts or assemblies as outlined in the labor & parts Warranty Schedule.

Warranty does not cover household use or normal wear & tear items such as gaskets, light bulbs & broken glass. Failure to register the unit will void the warranty. Failure to clean the condenser on a weekly basis will also void the warranty. Warranty does not cover issues caused by improper installation, lack of maintenance or effects of Mother Nature such as floods, lighting storms or other damaging situations..

### **ADDITIONAL TWO YEAR COMPRESSOR WARRANTY**

In addition to the three (3) year warranty above, Fogel warrants its compressors, hermetically & semi-hermetically sealed compressors to be free from defects in both material and workmanship under normal and proper use and maintenance service for a period of five (5) years from date of installation or five (5) years & three (3) months from date of shipment. Compressors found defective during the first fourteen (14) must be returned to the Authorized Refrigeration Supply Company for an exchange. If the compressor is over fourteen (14) months, Fogel "Reserves the Right" to exchange or replace the compressor with a compressor of similar age. After two (2) years, compressor replacements will be prorated based on the remaining age of the compressor. See our Warranty Schedule for full details. The five year warranty only applies to the compressor and no other parts even those related to the compressor. FAILURE to CLEAN the condenser routinely may void this warranty.
