

CamServer®

Models CSR3 – 3 gallon (11,5 L)
CSR5 – 5 gallon (19 L)

Features & Benefits

- Attractive design is perfect for front-of-the-house and provides hot beverage service without the need for any external heating sources! Coffee and other beverages stay hot for hours and maintain their natural flavor.
- Serving capacity:
 - Model CSR3 - 54 each 7 oz. (210 mL) cups
 - Model CSR5 - 91 each 7 oz. (210 mL) cups
- Two decorative interchangeable brass plates are included to help clearly identify contents. (Coffee/decaf or tea/hot water)
- Double-wall, high-density, polyethylene construction is durable and dishwasher safe. Resists dings and dents.
- Polyurethane foam insulation provides excellent temperature retention.
- Durable nylon side latches are easy to open and close.
- Convenient refill cap, funnel opening and self-aligning lid provide easy front loading and refilling. Self-sealing gasket helps retain beverage temperatures.
- High spigot for convenient serving height.
- Non-electrical.
- No assembly required.
- Available in 3 colors.
