Features & Benefits

- Sturdy, strong and durable, this cart is made of one-piece polyethylene construction.
- Versatile for a variety back of house or front of house applications.
- Total weight capacity is 600 lbs. (272 kg) or 200 lbs. (90,7 kg) per shelf.
- Three durable shelves feature raised ridges to protect surface against heat. Shelf surfaces are lightly textured, stain resistant and easy to clean.
- Raised marine rails around top shelf prevent items from slipping off.
- The vertical opening space between each shelf is 10³/₁₆" (25,82 cm) for convenient loading and unloading.
- Middle and bottom shelves have a 3/4" (2 cm) raised edge on one side to secure items from falling.
- Two ergonomic handles on each end of the cart are flush with the body to save space.
- Four heavy-duty, non-marking 6" (15 cm) plate casters, 4 swivel with brake (SC337S) or 2 rigid and 2 swivel with brake (SC337).
- Optional accessories include a removable 8 gallon (30,3 L) and 2 1/2 gallon (9,5 L) Quick Connect Bins that securely attach onto the molded-in dovetails below the handles.
- No assembly.
- Available in three colors, Black (110), Dark Brown (131), Charcoal Gray (615).
