Knock-Down Pan Racks

Designed to proof, store, and transport full size and half size sheet pans in commercial kitchen environments. The knock-down design supports easy handling while maintaining durable construction.

Features:

- All welded aluminum 1" tubing
- Runner angle 1" x 1.5"
- **Lifetime warranty against rust.**
- Holds (20) 18" x 26" & (40) 14" x 18" sheet pans
- Rolling Capacity: 600 lbs
- Weight Capacity per Runner: 20 lbs

Benefits:

- Ships knock-down to reduce freight costs
- Aluminum construction resists corrosion for long service life
- Provides strong support while remaining lightweight for easier handling
- Allows safe and controlled transport of loaded sheet pans
- Supports a sanitary kitchen environment
