PLATTER RACKS
HEAVY DUTY SERIES

Channel's broad selection *offers the best solutions for your applications.*

AXD519P

- Channel's Bottom-Load Heavy-Duty Aluminum Platter Racks are designed for holding, storing, and transporting a variety of products.
- Bottom-load slide design allows quick and easy access while accommodating larger or bulkier items.
- All-welded, heavy-duty, high-tensile extruded aluminum construction ensures superior strength and durability.
- Equipped with 5" full-swivel, non-marking stem casters bolted to the frame for easy replacement.
- Lifetime guarantee against rust.
- **CUSTOM SIZES AVAILABLE.** Contact Factory.
