

MOBILE SHELF TRUCK / FLIGHT CART ALUMINUM CONSTRUCTION

Channel's broad selection offers the best solutions for your applications.

MC2472-4

**Custom Sizes
Available**

- Our mobile flight cart is designed for storing and transporting in-flight food modules from the kitchen to the truck and onto the aircraft.
- Standard features include backstops and side stops on each shelf.
- Shelves are removable for easy cleaning and support a total load capacity of up to 2,000 lbs.
- Constructed from heavy-duty, high-tensile extruded aluminum, using Type 6063-T5 alloy. Channels are welded to the aluminum sides.
- Nickel chrome plated steel wire
- Lifetime guarantee against rust.
- **CUSTOM SIZES AVAILABLE.** Contact Factory.
