

CAL·MIL

PREMIUM MELAMINE

Designed in California, Made in Mexico

Use & Care:

- Cal-Mil Melamine is commercial dishwasher safe
- We do not recommend exposing melamine to heat in excess of 200°F or direct flame
- Not recommended for microwave or oven use
- We recommend washing our melamine as soon as possible to avoid staining
- Serrated knives should not be used on the surface as it could cause unwanted scratches
- Avoid strong-colored food products as they may cause staining over time
