

DW2435SS

34.5" x 23.5" x 22.38" (H x W x D)

24" wide ENERGY STAR certified built-in dishwasher made in Europe with stainless steel door and front controls

Highlights:

ENERGY STAR qualified performance to save on electricity and water usage

Stainless steel wrapped door offers a professional look

Advanced sound absorption technology for quiet operation

Product Features:

| | |
|-----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| ENERGY STAR certified | Uses less energy and water than national standards require to ensure more efficiency and lower utility bills |
| Digital touch controls | Intuitive touch button controls and LED display screen for easy use, with a program key printed on the control panel for added convenience |
| Front control panel | Easy access with touch control buttons |
| Stainless steel door | Attractive finish in durable stainless steel with a horizontal grain |
| Ultra quiet performance | Advanced sound absorbing construction |
| Large capacity | Interior holds up to 12 standard place settings |
| Stainless steel interior | Durable interior ensures long-lasting use |
| Slide-out nylon coated wire racks | Two easy-gliding racks for easy loading and long-lasting durability |
| Adjustable smart fold shelf | Top rack includes side pieces that help to hold tall glasses safely in place, or alternatively, allow you to maximize capacity by stacking smaller cups |
