

# SCFF1533BSS

34" x 14.75" x 22.75" (H x W x D)

15" wide frost-free freezer for built-in or freestanding use, with reversible stainless steel door and lock; replaces SCFF1537BSS

**Highlights:**

- Just under 15" wide for an easy fit, with a flush back design to save space
- Fully frost-free for low maintenance operation
- Flexible design allows built-in or freestanding use under counters

**Product Features:**

|                           |                                                                                        |
|---------------------------|----------------------------------------------------------------------------------------|
| Commercially approved     | ETL-S listed to ANSI-NSF Standard 7 for use in commercial establishments               |
| Built-in capable          | Make the best use of space by installing your appliance under the counter              |
| Factory installed lock    | Keyed security on the door                                                             |
| Frost-free operation      | Eliminates the need to manually defrost the interior                                   |
| Digital thermostat        | Electronic controls for precise temperature management.                                |
| Digital display           | Temperature readout can be shown in Celsius or Fahrenheit                              |
| LED lighting              | Gentle illumination with an on/off switch                                              |
| Adjustable chrome shelves | Rearrange interior space to accommodate all sizes or remove shelves for simple cleanup |
| Flush back                | Space saving design                                                                    |

SCFF1533BSS Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Height of Cabinet          | 34.0" (86 cm)         |
| Width                      | 14.75" (37 cm)        |
