AMTP10PK

TP PAN, ALUMINUM, 10" DIA., PACK OF 6
10" DIA.**List Price: \$32.00 PK**

Pack: 8

Cu. Ft.: 0.58

Weight: 11 lbs

Bake and serve delicious thin-crust pizzas with amNOW Essentials TP pans. Made in the USA from 20-gauge aluminum, these wide-rim, flat-bottom pans heat evenly and hold up to daily commercial use. Lightweight, stackable and easy to store, these pans deliver reliable performance at an affordable price. Perfect for busy kitchens that need practical, durable and cost-effective solutions.

With an outer diameter of 10" and inner diameter of 8", this wide-rim pan is perfect for baking and serving classic thin-crust pizzas. The 20-gauge aluminum construction ensures even heat distribution for crisp, golden results. Its smooth base transitions easily from oven to table for simple service. Note: This item is sold in a pack of 6.
