

New Air Curtain Refrigerator

Safe, Cold Food Even With The Door Open

Maintain proper chilled food temperatures for up to two hours – even with open door. Hold time and horizontal air flow are the industry's best.

Actual product may vary

Features

Capacity and Safety

15 non-tip slides accommodates 15 - 18" x 26" or 30 - 14" x 18" trays

Temperature Control

Programmable digital display for quick/accurate read-out

DOE 2017 Compliant

Reduced energy consumption; more savings

Technology

Maintains interior temperature with door open below 41°F up to 2 hours*

* Depending on temperature of food, ambient temperature and humidity rate

DINEX®

Trays will not tip, even when pulled out half way

Ideal for tray assembly lines, the versatile Air Curtain offers easy, reach-in access to prepared and portioned foods while the refrigerator door remains open

Highly efficient refrigeration system provides faster pull down and recovery times

Digital controller for easy and accurate temperature readings

Horizontal air screen maintains cabinet interior temperature

Stainless steel door has 270° swing; door is field reversible, right or left hand open

Full perimeter bumper protects cabinet and facility walls
