

DINEX[®]

Setting A New Standard **THE PHANTOM[™] CART**

Strong. Stylish. Silent. Simple.

Meet the all-new Dinex Phantom Cart, setting a new standard in healthcare meal delivery. It's built strong to handle the demands of daily use in the toughest environments. Plus, Phantom's stylish, sleek design is the only cart with fully customizable panels allowing you to add your facility's branding, messaging, or graphics on every side.

Silent, smooth operation won't disrupt patient care. And ordering is simple; every model comes fully loaded with all features standard. Just choose your configuration and finish, and you're ready to roll.

Available in three wood grain finishes, and in stainless-steel, with 10-, 12-, and 16-tray capacities, and your choice of single or double doors.

Modern Top

Designed with a 360° ergonomic contour, this cart keeps contents stable and enables easy movement from every angle.

Stylish, Self-Latching Door

Secures easily – and every time – reducing hassle and speeding up deliveries.

Built With A Robust Design

Focused on strength and rigidity, this cart is the clear choice for demanding, day-to-day use.

Say Goodbye To Messes

With our unique liquid spill channel – specially designed to minimize pooling, prevent service disruptions, and keep operations running smoothly. Spills are collected in the channel and can be easily cleaned after service.

Equipped With Standard 8" Casters And Corrosion-Resistant Stainless Steel Yokes

This cart also features an upgraded brake system with an ergonomic, clearly labeled, foot-operated pedal for added control and ease of use.
