

High-Heat Oven Mitts

Heat-Resistant up to 500°F, these new Kevlar®/Nomex® High-Heat Oven Mitts from Intedge will protect you from hot surfaces, radiant heat, boiling water, steam & flames. The temperature rating guarantees protection while the various lengths give added protection to the wrist or elbow. The hanging loop makes for easy and out-of-the-way storage, giving you easy access without taking up valuable counter space.
