

*serve with continental flair*

Inspired by the dramatic and graceful pointed arches of the great European cathedrals, this traditional dinnerware lends timeless elegance to dining tabletops and interiors. Gothic® features a subtle lattice sculptured rim motif, evoking the enduring architecture of some of the most breathtaking structures in the world. Gothic enhances food presentation with its graceful lines and mirror-like finish in a high-fire glaze. Destined for the fashionably elegant dining experience, Gothic presents a thin profile, yet is highly durable and abrasion-resistant. A medium depth well contains sauces, and Gothic's lattice sculpturing on the rim provides beautiful food framing.
