

130 - Sabre™

A step above the commodity entrance mat, Sabre is designed for use in light to medium foot traffic areas. The durable Decalon® polypropylene fibers provide moisture and dirt retention at entrances and lobbies, reducing slip hazards and floor care maintenance. A vinyl non-slip backing helps to minimize mat movement.

- Decalon® fibers dry shoes, retain debris, and are stain resistant
- 19 ounces of tufted cut-pile Decalon® per square yard
- Low profile for use in narrow clearance doorways
- Stain resistant, 100% Decalon® fibers
- Vinyl backing ensures minimal buckling and mat movement
