Short Description

- High/low waffle pattern facilitates scraping and keeps moisture and debris away from foot traffic
- Raised rubber border on all 4 sides traps moisture and debris for easy removal
- Molded rubber cleats on the bottom of the mat grip underlying surfaces and minimize mat movement
- 26 ounces of tufted yarn per square yard for increased moisture retention, and easier cleaning
- Low profile to perform in narrow clearance doorways

Description

Guzzler™ is a rubber-backed entrance mat intended for use in medium to heavy traffic areas. The classic raised, crushproof waffle design of Guzzler™ aggressively scrapes and cleans, while the rubber-edged perimeter entraps dirt and moisture for superior water and soil control. Molded rubber “cleats” on the underside of the mat grip the underlying surface minimizing mat movement. Guzzler™ uses a stain and fade resistant fiber to keep colors sharp and the mat looking new.
