
3' x 5', Black, Soil Guard™ Rubber Scraper Entrance Mat, 340

Product Images

Short Description

- Heavy-duty, durable rubber compound
- Low profile for door clearance / cart traffic
- High-low design scrapes debris from shoe traffic
- Easy to clean – simply hose off
- Parquet pattern is the 32x39", 36x59" and 4x6' size
Drainage pattern is the 3x10' size

Description

Soil Guard™ is a durable outdoor entrance mat intended to guard against soil with its high-low scraping design. Its low profile allows for easy door clearance as well as regular cart traffic, while a specially formulated rubber allows Soil Guard™ to withstand harsh weather environments and heavy foot traffic. Soil Guard™ excels in both indoor and outdoor high traffic entryways and can be hosed off for easy cleaning.

Specifications

Model No	340S0035BL
Color	Black
