KEY PRODUCT FEATURES AND BENEFITS

- Embossed stainless steel drainboard top
- Sound deadened work surfaces for quiet operation
- Drainboards complete an upscale underbar equipment setup
- Creates a uniform look across any bar
- 6" stainless steel backsplash
- Stainless steel legs with 1" adjustable feet
- Designed to be modular, Perlick drainboards allow for custom configurations using standard components
- All stainless steel construction
- Drainboard work height allows for ADA-height compliant applications
- Low work height allows for stackable glassware for more storage

Quick Features:

- Engineered drainboard surface provides maximum air flow and water drainage
- Adjustable feet for easy installation and leveling
- All stainless construction for durability
- Stores plenty of glassware right where your bartender needs them to handle a rush
- Lower workboard height accommodates stackable racks and tall service ware like pitchers
