KEY PRODUCT FEATURES AND BENEFITS

- A durable, 18-gauge sink bowl has a long life span and is dent resistant, even under heavy use
- A 1" thick, high-density cutting board is highly durable, warp resistant, and easy to remove for cleaning
- Our **NEW Perlick Quick Clamp** leg attachment has increased strength and features an easy, toolless installation
- Durable, all stainless construction is rust-resistant and long-lasting

Quick Features:

- Prep sinks offer a seamless front apron for added aesthetics and ease of cleaning
- Our versatile worktop allows the bartender to remove the cutting board and utilize the lower drainboard component for additional tool or glass storage space
- Glass racks are securely mounted, yet easily removable for ease of cleaning
- Our underbar equipment utilizes our Perlick Quick Clamp leg attachment for superior rigidity
- The rinser features a high performance spray pattern for quick, thorough rinsing
- With seven new models to choose from, you can be sure to find a model that fits your design and bartender needs
