Subject: Traulsen Warranty Update

Over our 85-year history, Traulsen has brought many “firsts” to the market to include leading the industry with the first 3-year parts and labor warranty circa 2013. Today we are taking the lead once again and introducing our new **6-year parts and labor & 7-year compressor warranty** (additional 1 year compressor parts only) for all\* Traulsen and Centerline™ by Traulsen branded products in all market segments!

The premier brand in refrigeration now offers the longest parts and labor warranty in the industry, strengthening our commitment to providing high quality and sustainable refrigeration.

This updated warranty applies to units **invoiced on or after January 1, 2023**.

**Covered Product Families:**
