

LONG-LASTING DURABILITY, NOW IN A COOLER CABINET

Traulsen knows you need long lasting, high quality equipment that's easy to maintain and less expensive to operate – and we deliver just that with the RMC Milk Cooler series. With our top-mounted, forced air system, Traulsen achieves superior temperature maintenance, promoting consistent, safe temperatures throughout the cabinet.

1

REDUCE COSTS

- All metal construction ensures durability for longer equipment life
- Forced air system eliminates the need for weekly defrosting, saving time and money

2

SAVE LABOR

- Easy to remove, top-mounted system reduces downtime in the event of a service call
- Factory-installed casters on adjustable caster rails make the cooler easy to install and move for regular cleaning and maintenance

3

SUPPORT SERVING-LINE DESIGN

- Low entry point into the cooler cabinet gives easy access to all, and helps the serving line flow smoothly
- Forced air design keeps contents at cold, consistent temperatures throughout the cabinet

**3 YEAR PARTS & LABOR
WARRANTY
5 YEARS ON COMPRESSOR**
