A Country Spring Lane

Instructions

SUPPLIES:

- OESD Signature Pack #12456
  A Country Spring Lane
- Embroidery Thread
- Bobbin Thread
- Temporary Spray Adhesive
- Heavy Weight Cut-Away Stabilizer
- Stitch Witchery Fusible Bonding Web
  ¼' wide roll (widely available in 20yd roll)
- 12 yards satin ribbon ¼" wide
- 3 yards of fabric (this will include the blocks, backing and binding)
- Quilt Batting (32" square)

EMBROIDERY:

1. Embroider one of each design file 12456-01 through 12456-24 for the scenic center of the wall hanging using two layers of Heavy Weight Cut Away stabilizer in each hooping. Be sure to use temporary spray adhesive to adhere all layers of stabilizer and fabric together for best stitch results.
2. Embroider border pieces: (**Refer to Diagram A**)
   - 4 x corner 12456-25
   - 12 x top/bottom 12456-27
   - 8 x sides 12456-26
3. The last thing that will stitch in each of these designs is a border that is referred to on the thread chart as "Cut Line Seam Stitch". This stitch is very important in the process assembling the wall hanging. It is vital that it is not skipped when embroidering. Stitch this in the same thread color as your background fabric
4. Once the embroidery process is complete, trim away excess fabric by cutting right on the "Cut Line Seam Stitch". This process is easily done using a rotary cutter and ruler. *NOTE: It may be easier to cut with the back of the block showing since the "Cut Line Seam Stitch" was stitched in the same color as your background fabric.* (**PHOTO 1**)

PHOTO 1

CONSTRUCTION:

1. After each block has been trimmed, lay out the pieces near your machine so that it is easy to put the blocks together. (**Refer to Diagram A**)
