Product Notes

height is 1.5" without lid.

Packaging Details

Lids are placed on top of bases then taped in place with tape which will not leave behind glue residue. An easy peel piece UPC is applied to the underside of each base. Each warmer is placed into a poly bag; poly bags require two punched holes and multilingual suffocation warnings. Poly bags are taped shut. 12 warmers are placed into an inner carton. Two UPC labels are applied to each inner an master carton; labels are placed on adjacent corners.
