STANDARD FEATURES

Skyfood Foot-Operated Impulse Bag Sealers are available in different sizes, 12, 18 and 24" long seal bar to better suit your needs. Robust metal construction, these foot-operated bag sealers are essential tools in any food service and other commercial operations. Sealing food products helps protect them from getting stale or rotten, avoiding waste and increasing profit for your business. Ready to use, our Bag Sealers require no warm up time. Adjustable timer creates perfect seals for bags up to 12 mil thick. For use with PP (polypropylene) and PE (polyethylene) bags.

- Foot pedal operation
- Instantly use, no warm up time needed
- 7 timer settings to seal bags up to 12 mil thick
- Seal PP (polypropylene) and PE (polyethylene) bags
- On and Timer light indicators
- Include an adjustable worktable
- Easy to use and to clean
- Service kit available
