PRODUCT KEY FEATURES ICON LEGEND

- BradLock magnetic locking system
- Refill indicators
- Wall Saver technology
- Easy-feed operation

THE ELVARI™ COLLECTION DESIGN HIGHLIGHTS

The Elvari Collection transcends ordinary commercial washroom design, offering the most elegant array of sophisticated accessories available. Featuring modern finishes with innovative fingerprint-resistance technology, Elvari elevates your washroom design to unprecedented heights.

The Elvari collection is available in five popular finishes using an exclusive, proprietary electrocoat color process. Unlike powder coating, color is applied to the entire stainless steel part using a submersion process with electrically charged particles — resulting in a durable consistent color across all surfaces while allowing the grain of the stainless steel to show through. And the best part is... the finishes are fingerprint resistant! A game changer for keeping the restroom clean and easy to maintain.

 Electrocoat finish Brushed Black, Bronze, Brass, Nickel and Stainless Steel | Satin Stainless Steel
