FOCUS'S HDS-PLUS™ SYSTEM IS MADE UP OF 5 EASY TO ASSEMBLE COMPONENTS: STATIONARY UNIT KITS, MOBILE UNIT KITS, OVERHEAD TRACK SETS, SHELVES, AND POSTS.

1 TRACK SETS

Available in lengths of 6 ft to 21 ft. Sections are connected together with easy-to-use track joiners allowing a large range of length combinations. End caps seal exposed ends of track tubes. Tracks over 18' require an additional stationary unit in the center. Kit includes:

- Track tubing
- Track joiners
- Plastic end caps
