

### Steak Markers

Rofson easy-to-read steak markers are designed to be a simple tool for avoiding confusion in the kitchen and during service. Available in two distinct and economical types, they are constructed from materials that comply with FDA rules for food contact. Individual boxes are cello-wrapped for sanitary protection.

#### Wooden Steak Markers

- Made from White Birch
- Compostable
- Thermal-stamped condition
- Each marker is 3 1/2" x 3/8"

#### Plastic Steak Markers

- Made from recyclable Polystyrene
- Stamped condition
- Color-coded for ease of identification
- Each marker is 3" x 5/16"
