Wood Stirrers

Rofson wood coffee stirrers are a great complement for coffees, cocoas and teas. They're as economical as they are environmentally friendly, they are biodegradable, compostable, and harvested from a renewable resource - white birch. Available in different sizes and types, and wrapped or unwrapped – they are ideal for self-serve or carryout venues. Great for crafts too!

WCS100 / WCS75

- Unwrapped, Square End
- Available as 5.5" or 7.5"

WCS55RU / WCS7RU

- Unwrapped, rounded end
- Available in 5.5" or 7"

WCS55PW / WCS7RW

- Paper wrapped 5.5" square end
- Paper wrapped 7" rounded end
