Fully Enclosed Sneeze Guard

ITEM #	DESCRIPTION
TSSG3630	36" width
TSSG4830	48" width
TSSG6030	60" width

Description:

Spring USA's fully enclosed sneeze guard offers the highest level of protection for both guests and staff. Made of heavy-duty acrylic, it provides a protective barrier from the front, sides and top. The top pane can be used for contactless serving. Lightweight and portable, it can easily be placed on any countertop where protection is needed without bolting or attaching to surface.

Construction & Performance Features:

- Fully enclosed barrier
- Lightweight, portable protection
- Heavy-duty, 1/4" acrylic
- Brushed satin finish frame
- Corrosion resistant and easy to clean
- Made in the USA

Standard Warranty:

- 30 days from date of purchase against defects in material or workmanship
