

STANDARD CUTTING BOARD

DOWNLOAD SERIES

Epicurean Standard Cutting Boards offer the best of both wood and poly in one functional surface. These food preparation boards will not dull knives or harbor bacteria and resist staining. They are heat resistant to 350°F, dishwasher safe, and completely maintenance free. Each two-sided surface is fashioned with a hole for convenient hanging storage. The 3/8" thickness gives these cutting boards a solid and substantial feel, while maintaining easy handling.
